Notice of Inventory Completion: Grand Rapids Public Museum, Grand Rapids, MI

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Grand Rapids Public Museum has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after July 29, 2024.

ADDRESSES: Alex Forist, Grand Rapids Public Museum, 272 Pearl Street NW, Grand Rapids, MI 49504, telephone (616) 929-1809, email aforist@grpm.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Grand Rapids Public Museum and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. At an unknown date, an individual named Mrs. Stahl discovered ancestral remains representing a minimum of one individual in her garden in Sheboygan County, Wisconsin. At an unknown date, Dr. Ruth Herrick acquired the remains from Stahl. Museum records indicate Stahl resided on Weeks Road. However, no exact location has been identified. Herrick (1895-1974) was an amateur archaeologist and an avid collector of ancestral remains, funerary objects and cultural objects. In 1974 the Grand Rapids Public Museum acquired these remains from Dr. Ruth Herrick by bequest.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains described in this notice.

Determinations

The Grand Rapids Public Museum has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Citizen Potawatomi Nation, Oklahoma; Forest County Potawatomi Community, Wisconsin; Hannahville Indian Community, Michigan; Ho-Chunk Nation of Wisconsin; Match-e-be-nash-she-wish Band of Pottawatomi Indians of Michigan; Menominee Indian Tribe of Wisconsin; Nottawaseppi Huron Band of the Potawatomi, Michigan; Pokagon Band of Potawatomi Indians, Michigan and Indiana; Prairie Band Potawatomi Nation; Quechan Tribe of Fort Yuma Indian Reservation, California & Arizona; and the Sokaogon Chippewa Community, Wisconsin.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization

not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after July 29, 2024. If competing requests for repatriation are received, the Grand Rapids Public Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The Grand Rapids Public Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: June 14, 2024.

Notice of Inventory Completion: U.S. Department of the Interior, Fish and Wildlife Service, Sherwood, OR, and California State University, Chico, Chico, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of the Interior, Fish and Wildlife Service (FWS) and California State University Chico (CSU Chico) have completed an inventory of associated funerary objects and have determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after July 29, 2024.

ADDRESSES: Margo Schwadron, Regional Historic Preservation Officer, Cultural Resources, U.S. Department of the Interior, Fish and Wildlife Service, 20555 SW Gerda Lane, Sherwood, OR 97140, telephone (971) 385-7518 email margo_schwadron@fws.gov and Dawn

Rewolinski, California State University, Chico, 400 W 1st Street, Chico, CA 95929, telephone (530) 898–3090, email drewolinski@csuchico.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of FWS and CSU Chico and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Accession 365 (CA–BUT 2658/H) Llano Seco Sanctuary Mound

The 99 associated funerary objects are 25 lots of modified stone, three lots of unmodified stone, eight lots of debitage, 10 lots of projectile points, 47 lots of modified shell, four lots of modified faunal elements, and two lots of unmodified faunal elements. Human remains and associated funerary objects were removed from Llano Seco Sanctuary Mound (CA–BUT–233) by Chico State from 1966 to 1968 in Butte County, CA, and were published in a Notice of Inventory Completion on June 29, 2023, in the **Federal Register** (88 FR 42099–42101). In March of 2024, Chico State located additional associated funerary objects from Llano Seco Sanctuary Mound in the University's possession that were collected during a later survey of Llano Seco Sanctuary Mound under the purview of the FWS Sacramento River National Wildlife Refuge (CA–BUT–2658/H) in 2017. The 99 cultural items intended to be temporarily collected under FWS in the possession of Chico State are funerary objects associated with the repatriated human remains and associated funerary objects from Llano Seco Sanctuary Mound CA–BUT–233.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

Determinations

The FWS and CSU Chico has determined that:

- The 99 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and the Mechoopda Indian Tribe of Chico Rancheria, California.

Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after July 29, 2024. If competing requests for repatriation are received, the FWS and CSU Chico must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. The FWS and CSU Chico is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Notice of Inventory Completion:
Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human

remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were collected at the Flandreau Indian School, Moody County, SD.

DATES: Repatriation of the human remains in this notice may occur on or after July 29, 2024.

ADDRESSES: Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496–2374, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at minimum, two individuals were collected at the Flandreau Indian School, Moody County, SD. The human remains are hair clippings collected from one individual who was recorded as being 19 years old and one individual who was recorded as being 13 years old and identified as “Chippewa.” George E. Peters took the hair clippings at the Flandreau Indian School between 1930 and 1933. Peters sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Red Lake Band of Chippewa Indians, Minnesota.

Requests for Repatriation
