SURFACE TRANSPORTATION BOARD

[Docket No. EP 771]

Report: Alternatives to URCS

AGENCY: Surface Transportation Board.

ACTION: Notice and request for comments.

SUMMARY: The Surface Transportation Board (Board) seeks written public comments on the independent report prepared by Laurits R. Christensen Associates, Inc. (Christensen Associates), entitled, *Alternatives to URCS*. The report may be accessed via the Board's website at www.stb.gov.

DATES: Comments are due by February 23, 2023. Replies to comments are due by May 24, 2023.

ADDRESSES: Comments and replies may be filed with the Board either via e-filing on the Board's website at www.stb.gov, or in writing addressed to: Surface Transportation Board, Attn: Docket No. EP 771, 395 E Street SW, Washington, DC 20423-0001. Filings will be posted to the Board's website.

FOR FURTHER INFORMATION CONTACT:

Michael Boyles at (202) 245-0336.

Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION: The Board is authorized, under 49 U.S.C. 11161, to maintain cost accounting rules for rail carriers. In 1989, the Board's predecessor, the Interstate Commerce Commission, adopted the Uniform Railroad Costing System (URCS) as its general purpose costing system.

Adoption of the Unif. R.R. Costing Sys. as a Gen. Purpose Costing Sys. for All Regul. Costing Purposes, 5 I.C.C.2d 894 (1989). The Board uses URCS for a variety of regulatory functions. URCS is used in rate reasonableness proceedings as part of the initial market dominance determination, and at later stages is used in parts of the Board's determination as to whether the challenged rate is reasonable, and, when warranted, the maximum rate prescription. URCS is also used to, among other things, develop variable costs for making cost determinations in abandonment proceedings, to provide the railroad industry and shippers with a standardized costing model, to cost the Board's Carload Waybill Sample to develop industry cost information, and to provide interested parties with basic cost information regarding railroad industry operations.

In 2020 the Board commissioned Christensen Associates to perform a study and write a report to identify and evaluate alternatives to URCS that could be used as a replacement general purpose costing methodology to generate railroad-specific variable costs for regulatory purposes. That report has been completed and is posted on the Board's website at <https://www.stb.gov/reports-data/reports-studies/> and in this docket. The Board now seeks public comments and replies from all interested persons on the report's recommendations. The Board has not made any determinations on whether it will propose changes to its general purpose costing system. Given the preliminary and exploratory nature of this request for comments, the Board will not release supporting materials, such as the Confidential Carload Waybill Sample data or underlying workpapers developed by Christensen Associates, at this time. Should the Board move forward with a proposal to modify its general purpose costing system, a further opportunity for comment will be provided.

It is ordered:

1. Comments are due by February 23, 2023; reply comments are due by May 24, 2023.

2. Notice of this decision will be published in the **Federal Register**.

3. This decision is effective on its service date.

Decided: October 21, 2022.

By the Board, Mai T. Dinh, Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket Number USTR-2022-0015]

Applications for Inclusion on the Binational Panels Roster Under the United States-Mexico-Canada Agreement

AGENCY: Office of the United States Trade Representative.

ACTION: Invitation for applications.

SUMMARY: The United States-Mexico-Canada Agreement (USMCA) provides for the establishment of a roster of individuals to serve on binational panels convened to review final determinations in antidumping or countervailing duty (AD/CVD) proceedings and amendments to AD/CVD statutes of a USMCA Party. The United States annually renews its selections for the roster. The Office of the United States Trade Representative (USTR) invites applications from eligible individuals wishing to be included on the roster for the period April 1, 2023, through March 31, 2024.

DATES: USTR must receive your application by November 30, 2022.

ADDRESSES: You should submit your application through the Federal eRulemaking Portal: <http://www.regulations.gov> (*regs.gov*), using docket number USTR-2022-0015. Follow the instructions for submitting comments below.

FOR FURTHER INFORMATION CONTACT:

Philip Butler, Associate General Counsel, Philip.A.Butler@ustr.eop.gov, (202) 395-5804.

SUPPLEMENTARY INFORMATION:

A. Binational Panel AD/CVD Reviews Under the USMCA

Article 10.12 of the USMCA provides that a party involved in an AD/CVD proceeding may obtain review by a binational panel of a final AD/CVD determination of one USMCA Party with respect to the products of another USMCA Party. Binational panels decide whether AD/CVD determinations are in accordance with the domestic laws of the importing USMCA Party using the

standard of review that would have been applied by a domestic court of the importing USMCA Party. A panel may uphold the AD/CVD determination, or may remand it to the national administering authority for action not inconsistent with the panel's decision. Panel decisions may be reviewed in specific circumstances by a three-member extraordinary challenge committee, selected from a separate roster composed of fifteen current or former judges.

Article 10.11 of the USMCA provides that a USMCA Party may refer an amendment to the AD/CVD statutes of another USMCA Party to a binational panel for a declaratory opinion as to whether the amendment is inconsistent with the General Agreement on Tariffs and Trade (GATT), the GATT Antidumping or Subsidies Codes, successor agreements, or the object and purpose of the USMCA with regard to the establishment of fair and predictable conditions for the liberalization of trade. If the panel finds that the amendment is inconsistent, the two USMCA Parties must consult and seek to achieve a mutually satisfactory solution.

B. Roster and Composition of Binational Panels

Annex 10-B.1 of the USMCA provides for the maintenance of a roster of at least 75 individuals for service on Chapter 10 binational panels, with each USMCA Party selecting at least 25 individuals. A separate five-person panel is formed for each review of a final AD/CVD determination or statutory amendment. To form a panel, the two USMCA Parties involved each appoint two panelists, normally by drawing upon individuals from the roster. If the Parties cannot agree upon the fifth panelist, one of the Parties, decided by lot, selects the fifth panelist from the roster. The majority of individuals on each panel must consist of lawyers in good standing, and the chair of the panel must be a lawyer.

When there is a request to establish a panel, roster members from the two involved USMCA Parties will complete a disclosure form that is used to identify possible conflicts of interest or appearances thereof. The disclosure form requests information regarding financial interests and affiliations, including information regarding the identity of clients of the roster member and, if applicable, clients of the roster member's firm.

C. Criteria for Eligibility for Inclusion on Roster

The United States bases the selection of individuals for inclusion on the

Chapter 10 roster on the eligibility criteria set out in Annex 10-B.1 of the USMCA. Annex 10-B.1 provides that Chapter 10 roster members must be citizens of a USMCA Party, must be of good character and of high standing and repute, and are to be chosen strictly on the basis of their objectivity, reliability, sound judgment, and general familiarity with international trade law. Aside from judges, roster members may not be affiliated with the governments of any of the three USMCA Parties. Annex 10-B.1 also provides that, to the fullest extent practicable, the roster shall include judges and former judges.

USTR is committed to diversity, equity, inclusion, and accessibility, and encourages all qualified individuals to apply.

D. Adherence to the USMCA Code of Conduct for Binational Panelists

The Code of Conduct under Chapter 10 and Chapter 31 (Dispute Settlement) (see <https://can-mex-usa-sec.org/secretariat/agreement-accord-acuerdo/usmca-aceum-tmec/code-code-codigo.aspx?lang=eng>), which was established pursuant to Article 10.17 of the USMCA, provides that current and former Chapter 10 roster members "shall avoid impropriety and the appearance of impropriety and shall observe high standards of conduct so that the integrity and impartiality of the dispute settlement process is preserved." The Code of Conduct also provides that candidates to serve on Chapter 10 panels, as well as those who ultimately are selected to serve as panelists, have an obligation to "disclose any interest, relationship or matter that is likely to affect [their] impartiality or independence, or that might reasonably create an appearance of impropriety or an apprehension of bias." Annex 10-B.1 of the USMCA provides that roster members may engage in other business while serving as panelists, subject to the Code of Conduct and provided that such business does not interfere with the performance of the panelist's duties. In particular, Annex 10-B.1 states that "[w]hile acting as a panelist, a panelist may not appear as counsel before another panel."

E. Procedures for Selection of Roster Members

Section 412 of the United States-Mexico-Canada Agreement Implementation Act (Pub. L. 116-113 (19 U.S.C. 4582)), establishes procedures for the selection by USTR of the individuals chosen by the United States for inclusion on the Chapter 10 roster. The roster is renewed annually,

and applies during the one-year period beginning April 1st of each calendar year.

Under Section 412, an interagency committee chaired by USTR prepares a preliminary list of candidates eligible for inclusion on the Chapter 10 roster. After consultation with the Senate Committee on Finance and the House Committee on Ways and Means, the U.S. Trade Representative selects the final list of individuals chosen by the United States for inclusion on the Chapter 10 roster.

F. Applications

USTR invites eligible individuals who wish to be included on the Chapter 10 roster for the period April 1, 2023, through March 31, 2024, to submit applications. In order to be assured of consideration, USTR must receive your application by November 30, 2022. Submit applications electronically to regs.gov, using docket number USTR-2022-0015. [Docket No. FMCSA–2017–0054]

Hours of Service; United Parcel Service Inc.; Application for Exemption Renewal

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of provisional renewal of exemption; request for comments.

SUMMARY: FMCSA announces its decision to provisionally renew a United Parcel Service, Inc. (UPS) exemption from various provisions of

the mandate to use electronic logging devices (ELD). FMCSA previously granted the exemption to allow (1) all motor carriers and drivers that use portable, driver-based ELDs to record engine data only when the driver is in a commercial motor vehicle (CMV) and the engine is powered, and (2) all motor carriers to configure an ELD with a yard-move mode that does not require a driver to re-input yard-move status every time the tractor is powered off. The Agency has determined that renewal of the temporary exemption would not have an adverse impact on safety, and that a level of safety equivalent to or greater than that provided by the regulation would be maintained. The exemption renewal is for 5 years.

DATES: This renewed exemption is effective October 21, 2022 and expires on October 21, 2027. Comments must be received on or before November 25, 2022.
