Written Comments: Although the SAB Staff Office accepts written comments until the date of the meeting or teleconference (unless otherwise stated), written comments should be received in the SAB Staff Office no later than noon (eastern time) five business days prior to the meeting so that the comments may

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA received a petition, dated April 5, 2005, from the People for the Ethical Treatment of Animals (PETA). The petition requests EPA initiate rulemaking to require that: All chemical testing conducted in connection with test rules and voluntary consent orders under the Toxic Substances Control Act (TSCA), as well as testing under the voluntary High Production Volume (HPV) Challenge Program, adhere to certain animal welfare principles contained in guidance provided to participants in the voluntary HPV Challenge Program; and EPA enforce those guidelines where they are not followed. The petition states that it is filed under section 21 of TSCA and section 553(e) of the Administrative Procedure Act (APA).
