

Initiation of New Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on information on the record, we find that Golden Well and Mei Jia's requests meet the initiation threshold requirements and we are initiating new shipper reviews for shipments of wooden bedroom furniture exported by Golden Well that were produced by Zhangzhou XYM and shipments of wooden bedroom furniture produced and exported by Mei Jia. See Memorandum to the File through Wendy J. Frankel, Director, New Shipper Initiation Checklist, dated, February 28, 2007. The Department will conduct these new shipper reviews according to the deadlines set forth in section 751(a)(2)(B)(iv) of the Act.

Pursuant to 19 CFR 351.214(g)(1)(i)(A), the period of review ("POR") for a new shipper review, initiated in the month immediately following the anniversary month, will be the twelve-month period immediately preceding the anniversary month. Therefore, the POR for the new shipper reviews of Golden Well and Mei Jia will be January 1 through December 31, 2006.

It is the Department's usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Golden Well and Mei Jia, including a separate-rate section. The reviews will proceed if the responses provide sufficient indication that Golden Well and Mei Jia are not subject to either *de jure* or *de facto* government control with respect to their exports of wooden bedroom furniture. However, if either Golden Well or Mei Jia does not demonstrate its eligibility for a separate rate, it will be deemed not separate from other companies that exported during the POI, and its new shipper review will be rescinded.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new shipper reviews. Therefore, the posting of a bond or other security under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of wooden bedroom furniture 1) produced by Zhangzhou XYM and exported by Golden Well, or 2) produced and exported by Mei Jia must continue to post cash deposits of estimated antidumping duties on each entry of subject merchandise (*i.e.*, wooden bedroom furniture) at the PRC-wide entity rate of 198.08 percent.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are issued in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: February 28, 2007.

Deputy Assistant Secretary for Import Administration.

¹ If one of the above named companies does not qualify for a separate rate, all other exporters of wooden bedroom furniture from the PRC that have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporter is a part.

* These companies received a separate rate in the prior segment (the less-than-fair-value-investigation) of this proceeding.

Separate Rates

In proceedings involving non-market economy ("NME") countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is the Department's policy to assign all exporters of merchandise subject to investigation in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from government control of its export activities to be entitled to a separate rate, the Department analyzes each entity exporting the subject merchandise under a test arising from the *Final Determination of Sales at Less Than Fair Value: Sparklers from the People's Republic of China*, 56 FR 20588 (May 6, 1991) ("Sparklers"), as amplified by *Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People's Republic of China*, 59 FR 22585 (May 2, 1994) ("Silicon Carbide"). In accordance with

the separate-rates criteria, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both *de jure* and *de facto* government control over export activities.

The Department recently modified the process by which exporters and producers may obtain separate-rate status in NME investigations. See Policy Bulletin 05.1: Separate-Rates Practice and Application of Combination Rates in Antidumping Investigations Involving Non-Market Economy Countries, (April 5, 2005), available on

the Department's Web site at <http://ia.ita.doc.gov/policy/bull05-1.pdf>. The process now requires the submission of a separate-rate status application.

Due to the large number of firms requesting an administrative review in this proceeding, the Department is requiring all firms listed above that wish to qualify for separate-rate status in this administrative review to complete, as appropriate, either a separate-rate status application or certification, as described below.

For this administrative review, in order to demonstrate separate-rate eligibility, the Department requires entities for whom a review was requested that were assigned a separate rate in the less than fair value investigation of this proceeding to certify that they continue to meet the criteria for obtaining a separate rate. The certification form will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Certifications are due to the Department no later than March 21, 2007. The deadline and requirement for submitting a Certification applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers who purchase the subject merchandise and export it to the United States.

For entities that have not previously been assigned a separate rate, to demonstrate eligibility for such, the Department requires a separate-rate status application. The separate-rate status application will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the separate-rate status application, refer to the instructions contained in the application. Separate-rate status applications are due to the Department no later than May 7, 2007. The deadline and requirement for submitting a separate-rate status application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase the subject merchandise and export it to the United States.

Section 777A(c)(1) of the Tariff Act of 1930, as amended ("the Act") directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise, section 777A(c)(2) of the Act permits the Department to examine either (1) a sample of exporters, producers or types of products that is statistically valid

based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of the subject merchandise from the exporting country that can be reasonably examined. Due to the large number of firms requested for an administrative review and the Department's experience regarding the resulting administrative burden to review each company for which a request has been made, the Department is considering exercising its authority to limit the number of respondents selected for review using one of the two methods described above.

Quantity and Value Questionnaire

In advance of issuance of the antidumping questionnaire, we will also be requiring all parties for whom a review is requested to respond to a Quantity and Value ("Q&V") questionnaire, which will request information on the respective quantity and U.S. dollar sales value of all exports to the United States of wooden bedroom furniture during the period of January 1, 2006, through December 31, 2006. Additionally, in the event sampling is employed, in order to determine a sampling method that is representative of the sales under review, the Department will require that each company complete the economic characteristics section of the Q&V questionnaire. The Q&V questionnaire will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. The responses to the Q&V questionnaire are due to the Department no later than March 21, 2007. Due to the time constraints imposed by our statutory and regulatory deadlines, and the need to preserve the statistical validity of the sampling methodology, the Department may not be able to grant any extensions for the submission of the Q&V questionnaire. In responding to the Q&V questionnaire, refer to the instructions contained in the Q&V questionnaire.

Notice

This notice constitutes public notification to all firms requested for review and seeking separate-rate status in this administrative review of the antidumping duty order on wooden bedroom furniture from the PRC that they must submit a separate-rate status application or certification (as appropriate) as described above, and a complete response to the Q&V questionnaire within the time limits established in this notice of initiation of administrative review in order to receive consideration for separate-rate

status. In other words, the Department will not give consideration to any separate-rates certification or separate rate-status application made by parties who fail to timely respond to the Q&V questionnaire or fail to timely submit the requisite separate-rate certification or application. All information submitted by respondents in this administrative review is subject to verification. To allow the possibility for sampling and to complete this segment within the statutory time frame, the Department will be limited in its ability to extend deadlines on the above submissions. As noted above, the separate-rate certification, the separate-rate status application, and the Q&V questionnaire will be available on the Department's Web site at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. However, the Department will also issue, as a courtesy to the parties, a letter of notification of these requirements to the parties requested for review.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's Web site at <http://ia.ita.doc.gov/>.

This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: February 28, 2007.
