Title: Privacy of Consumer Financial Information Recordkeeping and Disclosure Requirements Under Gramm-Leach-Bliley Act and Regulation P, 12 CFR 1016.

Abstract: Title V, Subtitle A of the Gramm-Leach-Bliley Act (Act), Public Law 106-102, governs the treatment of nonpublic personal information about consumers by financial institutions. Section 502 of the Act, subject to certain exceptions, prohibits a financial institution from disclosing nonpublic personal information about a consumer to nonaffiliated third parties, unless the institution satisfies various notice and opt-out requirements, and provided the consumer has not elected to opt out of the disclosure. Section 503 of the Act requires a financial institution to provide notice of its privacy policies and practices to its customers.

Section 504 of the Act granted rulemaking authority for the privacy provisions of the Act to be shared by eight Federal agencies: The Board of Governors of the Federal Reserve System (FRB), the Federal Deposit Insurance Corporation (FDIC), the Office of the Comptroller of the Currency (OCC), the Office of Thrift Supervision (OTS), the National Credit Union Administration (NCUA), the Federal Trade Commission (FTC), the Securities and Exchange Commission (SEC), and the Commodity Futures Trading Commission (CFTC). Each of the agencies issued rules (which were consistent and comparable) to implement the Act's privacy provisions.

The Dodd-Frank Wall Street Reform and Consumer Protection Act (DFA) amended a number of consumer financial protection laws, including the Act. Among other changes, the DFA transferred rulemaking authority for most of Subtitle A of Title V of the Act, with respect to financial institutions described in section 504(a)(1)(A) of the Act, from FRB, FDIC, OCC, OTS, and NCUA to the Consumer Financial Protection Bureau (CFPB). Pursuant to the DFA and the Act, as amended, the CFPB promulgated Regulation P, 12 CFR 1016, to implement those privacy provisions of the Act for which CFPB has rulemaking authority.

Regulation P implements the requirements of the Act to provide consumers with financial institutions' privacy policies and practices, as well as describes when the consumer's information may be shared with nonaffiliated third parties, and provides a method for consumers to prevent disclosure of their information to

nonaffiliated third parties by opting out of that disclosure. Regulation P details the specifics of how the Act should be implemented, which companies and situations this applies to, and the method of delivering the information to consumers. Regulation P includes model forms that can be used to comply with the disclosure requirements of the Act and Regulation P, although the use of the model forms is not required. See Appendix to Regulation P.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated Annual Burden Hours: 386,104.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on September 7, 2016.

Dated: September 8, 2016.

Troy S. Hillier,

NCUA PRA Clearance Officer.
