See *Notice of Preliminary Determination of Sales at Less Than Fair Value: Certain Hot-Rolled Carbon Steel Flat Products From the People's Republic of China*, 66 FR 22183 (May 3, 2001).

Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by petitioner. The Department's regulations, at 19 CFR 351.210(e)(2), require that requests by respondents for postponement of a final determination be accompanied by a request for extension of provisional measures from a four-month period to not more than six months.

In a May 7, 2001 request Shanghai Baosteel Group Corporation, Baoshan Iron and Steel Co., Ltd., and Baosteel Group International Trade Corporation

(collectively Baosteel Group) requested that the Department postpone its final determination until not later than 135 days after the date of the publication of the preliminary determination in the **Federal Register** and requested an extension of the provisional measures. In accordance with 19 CFR 351.210(b), because (1) our preliminary determination is affirmative, (2) Baosteel Group accounts for a significant proportion of exports of the subject merchandise, and (3) no compelling reasons for denial exist, we are granting Baosteel Group's request and are postponing the final determination until not later than 135 days after the publication of preliminary determination in the **Federal Register**. Suspension of liquidation will be extended accordingly.

This notice is published in accordance with section 735(a)(2) of the Act.
