Rural Utilities Service

Title: Accounting Requirements for RUS Electric and Telecommunications Borrowers.

OMB Control Number: 0572-0003.

Summary of Collection: Rural Utilities Service (RUS) is a credit agency of the U.S. Department of Agriculture that makes loans (direct and guaranteed) to finance electric and telecommunications facilities in rural areas. Currently, there are approximately 685 active electric borrowers and 737 RUS telecommunications borrowers. RUS does not own or operate rural electric facilities. Its function is to provide, through self-liquidating loans and technical assistance, adequate and dependable electric and telecommunications service to rural people under rates and conditions that permit productive use of these utility services. RUS borrowers, as all businesses, need accounting systems for their own internal use as well as external use. Such records are maintained as part of normal business practices. Without systems, no records would exist, for example, or what they own or what they owe. Such records systems provide borrowers with information that is required by the manager and board of directors to operate on a daily basis, to complete their tax returns, and to support requests to state regulatory commissions for rate approvals.

Need and Use of the Information: RUS collects information to evaluate a borrower's financial performance, to determine whether current loans are at risk, and to determine the credit worthiness of future loans. If basic financial records were not maintained, the borrower, its investors, and RUS would be unable to evaluate a borrower's financial performance.

Description of Respondents: Not-for-profit institutions; Business or other for-profit.

Number of Respondents: 1,422.

Frequency of Responses: Recordkeeping; Reporting: On Occasion.

Total Burden Hours: 38,394.

- SUPPLEMENTARY INFORMATION:** The Grain Inspection, Packers and Stockyards Administration (GIPSA) administers and enforces the Packers and Stockyards Act of 1921, as amended and supplemented (7 U.S.C. 181–229) (P&S Act). The P&S Act prohibits unfair, deceptive, and fraudulent practices by livestock market agencies, dealers, stockyard owners, meat packers, swine contractors, and live poultry dealers in the livestock, poultry, and meatpacking industries.

Section 302(a) of the P&S Act (7 U.S.C. 202(a)) defines the term “stockyard” as follows:

* * * any place, establishment, or facility commonly known as stockyards, conducted, operated, or managed for profit or nonprofit as a public market for livestock producers, feeders, market agencies, and buyers, consisting of pens, or other inclosures, and their appurtenances, in which live cattle, sheep, swine, horses, mules, or goats are received, held, or kept for sale or shipment in commerce.

Section 302(b) of the P&S Act (7 U.S.C. 202(b)) requires the Secretary to determine which stockyards meet this definition, and to notify the owner of the stockyard and the public of that determination by posting a notice in each designated stockyard. After giving notice to the stockyard owner and to the public, the stockyard will be subject to the provisions of Title III of the P&S Act (7 U.S.C. 201–203 and 205–217a) until the Secretary deposits the stockyard by public notice.
