DEPARTMENT OF JUSTICE

Office of Juvenile Justice and Delinquency Prevention

Proposed Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice of information collection under review: New collection comprehensive strategy stakeholder survey.

The Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP), has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with emergency review procedures of the Paperwork Reduction Act of 1995. OMB approval has been requested by May 15, 2000. The proposed information collection is

published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. Comments should be directed to OMB, Office of Information Regulation Affairs, Attention: Department of Justice Desk Officer, (202) 395-7860, Washington, DC 20530.

During the first 60 days of this same review period, a regular review of this information collection is also being undertaken. All comments and suggestions, or questions regarding additional information, to include obtaining a copy of the proposed information collection instrument with instructions, should be directed to Dean V. Hoffman, Program Manager, Office of Juvenile Justice and Delinquency Prevention, 810 7th Street, NW, Washington, DC 20531, or facsimile at (202) 353-9096.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).
