

include a(n): District Organization; Indian Tribe or a consortium of Indian Tribes; State, county, city, or other political subdivision of a State, including a special purpose unit of a state or local government engaged in economic or infrastructure development activities or a consortium of political subdivisions; Institution of Higher Education or a consortium of institutions of higher education; or Public or private non-profit organization

or association, including labor unions, acting in cooperation with officials of a political subdivision of a State. Additionally, training providers and participants in regional workforce training systems will be affected.
Estimated Number of Respondents: System Lead Entities: 32 respondents, responding semiannually; Training Providers: 200 respondents, responding quarterly; and Participants: 10,000 respondents, responding once. As the

Good Jobs Challenge is a new program, EDA anticipates that these estimates will continue to be further refined based on data determined post-award.
Estimated Time per Response: System Lead Entity: 2 hours; Training Providers: 45 minutes per provider; Participants: 5 minutes.
Estimated Total Annual Burden Hours: 2,728 hours.

Type of respondent (annual)	Number of respondents	Hours per response	Number of responses per year	Total estimated time (hours)
System Lead Entities	32	2	2 (Semiannual)	128
Training Providers	* 400	45 minutes per training provider	4 (Quarterly)	1,200
Participants	* 4,200	5 minutes per participant	4 (Quarterly)	1,400
Total	4,632			2,728

* The number of responses should be considered estimates given the Good Jobs Challenge intended impact. Given investment alignment and program priorities are founded on equity, there could be lower number of stakeholders participating given their efforts to work with individuals most underserved.

Estimated Total Annual Cost to Public: \$161,007 (cost assumes application of U.S. Bureau of Labor Statistics third quarter 2021 mean hourly employer costs for employee compensation for professional and related occupations of \$59.02).
Respondent's Obligation: Mandatory for System Lead Entities and Training Providers.
Legal Authority: The Public Works and Economic Development Act of 1965 (42 U.S.C. 3121 et seq).

IV. Request for Comments

We are soliciting public comments to permit the Department/Bureau to: (a) Evaluate whether the proposed information collection is necessary for the proper functions of the Department, including whether the information will have practical utility; (b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used; (c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.
Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that

your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Large Power Transformers From the Republic of Korea: Final Results of Antidumping Duty Changed Circumstances Review
AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.
SUMMARY: On August 9, 2023, the U.S. Department of Commerce (Commerce) published the initiation and preliminary results of the changed circumstances review (CCR) of the antidumping duty (AD) order on large power transformers (LPTs) from the Republic of Korea (Korea). For these final results, Commerce continues to find that HD Hyundai Electric Co., Ltd. (HDHE) is the successor-in-interest to Hyundai Electric & Energy Systems Col, Ltd. (HEES) in the context of the AD order on LPTs from Korea. Furthermore, HDHE is entitled to the AD cash deposit rate assigned to HEES with respect to entries
