SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–625 OMB Control No. 3235–0686]

Proposed Collection; Comment Request; Extension: Implementing the Whistleblower Provisions of Section 21F of the Securities

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Exchange Act of 1934—Form WB–APP

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit an extension for this current collection of information to the Office of Management and Budget for approval.

In Release No. 34–64545,¹ the Commission adopted rules (“Rules”) and forms to implement Section 21F of the Securities Exchange Act of 1934 entitled “Securities Whistleblower Incentives and Protection,” which was created by Section 922 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”).²

The Rules describe the whistleblower program that the Commission has established pursuant to the Dodd-Frank Act which requires the Commission to pay an award, subject to certain limitations and conditions, to whistleblowers who voluntarily provide the Commission with original information about a violation of the Federal securities laws that leads to the successful enforcement of a covered judicial or administrative action, or of a related action. The Rules define certain terms critical to the operation of the whistleblower program, outline the procedures for applying for awards and the Commission’s procedures for making decisions on claims, and generally explain the scope of the whistleblower program to the public and to potential whistleblowers.

Form WB–APP is a form that is submitted by whistleblowers filing a claim for a whistleblower award. Form WB–APP is required for application for an award under the Rules. On December 4, 2020, the Commission approved an updated version of the WB–APP in accordance with its amended rules.³ The updated WB–APP removed the requirement for the filer to submit their Social Security Number and modified the order of the questions on the form. Although a new question has been added to the form, there have been no substantive changes made to the WB–APP since that approval. The Commission estimates that it takes a whistleblower, on average, two hours to complete Form WB–APP. The completion time depends largely on the complexity of the alleged violation and the amount of information the whistleblower possesses in support of his or her application for an award. Based on the receipt of approximately 192 submissions on average for the past eight fiscal years, the Commission estimates that the total annual PRA burden of Form WB–APP is 384 hours. Written comments are invited on: (a) Whether this collection of information
