**SUPPLEMENTARY INFORMATION:** IMLS is particularly interested in public comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques, or other forms of information technology, *e.g.*, permitting electronic submissions of responses.

**I. Background**

IMLS is the primary source of Federal support for the Nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to transform the lives of individuals and communities. To learn more, visit [www.imls.gov](http://www.imls.gov).

**II. Current Actions**

The purpose of this collection is to administer the IMLS process by which organizations nominated for the National Medal for Museum and Library Service submit administrative information about their organizations, communities, and programs. IMLS uses a standardized electronic form to collect this information from museums and libraries when they submit their nominations. The National Medal for Museum and Library Service is the nation's highest honor for institutions that make significant and exceptional contributions to their communities. Since 1994, IMLS has presented the award to institutions that demonstrate

extraordinary and innovative approaches to community service. In addition to the Medal, IMLS may provide a monetary award. This action is to renew the content, form, and instructions for the next three years.

#### **Notice of Proposed Information Collection Requests: IMLS Library and Museum Reviewer Forms**

**AGENCY:** Institute of Museum and Library Services, National Foundation on the Arts and the Humanities.

**ACTION:** Notice, request for comments, collection of information.

**SUMMARY:** The Institute of Museum and Library Services (IMLS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act. This pre-clearance consultation program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are

clearly understood, and the impact of collection requirements on respondents can be properly assessed. The purpose of this Notice is to solicit comments concerning the annual IMLS Library and Museum Reviewer Forms which are used by library and museum professionals to submit their interest and expertise to be considered for selection as an IMLS peer reviewer. A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this Notice.

**DATES:** Written comments must be submitted to the office listed in the addressee section below on or before April 30, 2024.

**ADDRESSES:** Send comments to Sandra Narva, Acting Director of Grants Policy and Management, Office of Grants Policy and Management, Institute of Museum and Library Services, 955 L'Enfant Plaza North SW, Suite 4000, Washington, DC 20024–2135. Ms. Narva can be reached by telephone: 202–653–4634, or by email at [snarva@imls.gov](mailto:snarva@imls.gov). Office hours are from 8:30 a.m. to 5 p.m., E.T., Monday through Friday, except federal holidays. Persons who are deaf or hard of hearing (TTY users) can contact IMLS at 202–207–7858 via 711 for TTY-Based Telecommunications Relay Service.

## II. Current Actions

This Notice proposes renewing the clearance of the content, forms, and instructions for IMLS Library and Museum Reviewer Forms for the next three years.

All proposals submitted for IMLS competitive awards are reviewed by library and museum professionals who know the needs of communities, can share promising practices, and are well versed in the issues and concerns of libraries and museums today. Peer reviewers dedicate their time and expertise to advance the highest professional practices in the field. The IMLS review process is well respected, and the success of our grant programs is largely due to the expertise of our reviewers. These peer reviewer forms, accessed through the IMLS website, allow library and museum professionals to indicate their interest and provide information on their professional expertise to be considered for selection as an IMLS peer reviewer.

## NUCLEAR REGULATORY COMMISSION

### Advisory Committee on the Medical Uses of Isotopes: Charter Renewal

**AGENCY:** U.S. Nuclear Regulatory Commission.

**ACTION:** Notice of renewal of the Charter of the Advisory Committee on the Medical Uses of Isotopes.

**SUMMARY:** The U.S. Nuclear Regulatory Commission (NRC) has determined that renewal of the charter for the Advisory Committee of the Medical Uses of Isotopes (ACMUI) until February 28, 2026, is in the public interest in connection with duties imposed on the Commission by law. This action is being taken in accordance with the Federal Advisory Committee Act, after consultation with the Committee Management Secretariat, General Services Administration.

**SUPPLEMENTARY INFORMATION:** The purpose of the ACMUI is to provide advice to the NRC on policy and technical issues that arise in regulating the medical use of byproduct material for diagnosis and therapy. Responsibilities include providing guidance and comments on current and proposed NRC regulations and regulatory guidance concerning medical use; evaluating certain non-routine uses of byproduct material for medical use; and evaluating training and experience of proposed authorized users. The members are involved in preliminary discussions of major issues in determining the need for changes in NRC policy and regulation to ensure the continued safe use of byproduct material. Each member provides technical assistance in his/her specific area(s) of expertise, particularly with respect to emerging technologies. Members also provide guidance as to NRC's role in relation to the responsibilities of other Federal agencies as well as of various professional organizations and boards.

Members of this Committee have demonstrated professional qualifications and expertise in both scientific and non-scientific disciplines including nuclear medicine; nuclear cardiology; radiation therapy; medical physics; nuclear pharmacy; State medical regulation; patient's rights and

care; health care administration; and Food and Drug Administration regulation.
