SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63301; File No. SR-FICC-2010-08]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of Proposed Rule Change To Eliminate Certain Cash Adjustments Currently Processed by the MBSD

November 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder²

notice is hereby given that on October 28, 2010, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared primarily by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to eliminate cash adjustments that are currently processed by the Mortgage-Backed Securities Division ("MBSD").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

FICC is proposing to eliminate the cash adjustments that are currently processed by the MBSD.⁴ FICC is proposing to eliminate the cash adjustments because they have low monetary impact and were originally designed to address a clearance event ("significant variance") that no longer applies. Variance was originally established when mortgage-backed securities were physically settled, and it was difficult to organize physical pools into \$1 million par amounts for delivery.

As a result of the netting of To Be Announced ("TBA") transactions, a participant may have a settlement obligation to another participant with which it did not trade ("SBON Obligations"). SBON Obligations are created in multiples of \$1 million par amounts and are assigned a uniform delivery price. Since the delivery price

will differ from the participant's original trade price, an adjustment is calculated for the difference between the delivery price and the trade price. This adjustment is referred to as the Settlement Balance Order Market Differential ("SBOMD").

Participants notify the MBSD when they have settled their SBON Obligations with their assigned counterparties through the Notification of Settlement ("NOS") process. From the information supplied by both the delivering and receiving participants in their respective NOS, the MBSD determines whether the securities delivered were in \$1 million par amounts or in a par amount within acceptable variance (plus or minus \$100 per million). In instances where the delivery was completed in \$1 million par amounts, the MBSD takes no additional steps.

If the delivery was cleared for a par amount within acceptable variance, the MBSD will calculate a cash adjustment to reconcile the difference between the original SBOMD (based on a \$1 million par amount) and what the SBOMD should have been (based on the par amount delivered). As mortgage-backed securities migrated from physical to electronic settlement, acceptable variance has been reduced from an initial \$50,000 per million to the current amount of \$100 per million.

FICC believes the proposed rule change is consistent with the requirements of Section 17A of the Act⁵ and the rules and regulations thereunder applicable to FICC because it is a deletion of a rule that covers a process that is no longer needed and as such it provides certainty and clarity of the clearance process at MBSD to members.

(B) Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. FICC will notify the Commission of any written comments received by FICC.

³ The Commission has modified the text of the summaries prepared by FICC.

⁴ The specific language of the proposed provision can be found at http://www.dtcc.com/downloads/legal/rule_filings/2010/ficc/2010-08.pdf.
