

SUMMARY: The Export-Import Bank of the United States (EXIM Bank), as a part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

EXIM Bank's financial institution policy holders provide this form to U.S. exporters, who certify to the eligibility of their exports for EXIM Bank support. The completed forms are held by the financial institution policy holders, only to be submitted to EXIM Bank in the event of a claim filing. A requirement of EXIM Bank's policies is that the insured financial institution policy holder obtains a completed Exporter's Certificate at the time it provides financing for an export. This form will enable EXIM Bank to identify the specific details of the export transaction. These details are necessary for determining the eligibility of claims for approval. EXIM Bank staff and contractors review this information to assist in determining that an export transaction, on which a claim for non-payment has been submitted, meets all of the terms and conditions of the insurance coverage.

The form can be viewed at <http://exim.gov/sites/default/files/pub/pending/eib94-07.pdf>.

DATES: Comments must be received on or before October 5, 2015 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on www.regulations.gov or by mail to Michele Kuester, Export-Import Bank, 811 Vermont Ave NW., Washington, DC 20571.

Needs and Uses: The Federal Communications Commission (Commission) is requesting a three-year extension of OMB Control No. 3060–1163 from the Office of Management and Budget (OMB).

On April 18, 2013, the Commission adopted final rules in Review of Foreign Ownership Policies for Common Carrier and Aeronautical Radio Licensees under Section 310(b)(4) of the Communications Act of 1934, as Amended, IB Docket No. 11–133, Second Report and Order, FCC 13–50 (rel. Apr. 18, 2013) (Second Report and Order). Among other changes, the final rules eliminated the current need for licensees that have received a foreign ownership ruling to return to the Commission for approval of increased interests by previously approved foreign investors, of foreign ownership in subsidiaries or affiliates, or of new services or new geographic service areas. In addition, the final rules eliminated the current need for approval of certain corporate reorganizations, subject only to a post-closing notification.

This information collection did not replace the existing information collection for section 310(b) of the Act (OMB Control Number 3060–0686). Licensees who received foreign ownership rulings prior to the effective date of the new rules will continue to be subject to the Commission's foreign ownership policies and procedures within the parameters of their rulings, until they seek and obtain a new ruling under the new rules. The Commission determined in the Second Report and Order that it would permit such licensees to file a new petition for declaratory ruling under the new rules, but would not require them to do so.

Federal Communications Commission.
