SUPPLEMENTARY INFORMATION:

Purpose: The Lead Exposure and Prevention Advisory Committee was established under Section 2203 of Public Law 114-322, the Water Infrastructure Improvements for the Nation Act; 42 U.S.C. 300j-27, Registry for Lead Exposure and Advisory Committee.

The Secretary, Department of Health and Human Services (HHS) and by delegation, the Director, CDC and

Administrator, NCEH/ATSDR, are authorized under Section 2203 of Public Law 114-322 (42 U.S.C. 300j-27) to review research and Federal programs and services related to lead poisoning and to identify effective services and best practices for addressing and preventing lead exposure in communities.

The LEPAC is charged with providing advice and guidance to the Secretary, HHS, and the Director, CDC and Administrator, ATSDR, on the: (1) Review of Federal programs and services available to individual communities exposed to lead; (2) review current research on lead exposure to identify additional research needs; (3) review and identify best practices, or the need for best practices regarding lead screening and the prevention of lead poisoning; (4) identify effective services, including services relating to healthcare, education, and nutrition for individuals and communities affected by lead exposure and lead poisoning, including in consultation with, as appropriate, the lead exposure registry as established in Section 2203(b) of Public Law 114-322; and (5) undertake any other review or activities that the Secretary determines to be appropriate.

Matters To Be Considered: The agenda will include: Discussions on CDC's role in lead poisoning prevention, key federal lead programs and the Federal Lead Action Plan, methods and results of a Community Guide environmental scan and scoping review of lead interventions, lessons learned from review of CDC Childhood Lead Poisoning Prevention Program (CLPPP) cooperative agreement recipients, and available services and best practices regarding lead screening and the prevention of lead poisoning. Agenda items are subject to change as priorities dictate.

The Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Kalwant Smagh,

Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Delegation of Authority

Notice is hereby given that the Director, Centers for Disease Control and Prevention (CDC), has delegated to the Chief Operating Officer, Centers for Disease Control and Prevention (CDC), without the authority to redelegate, the authority vested in the Secretary of HHS by section 212(1) of the Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019 and Continuing Appropriations Act, 2019 (FY 19 HHS Appropriations Act) Public Law 115-245, division B, title II, or substantially similar authorities vested in the Secretary in the future by Congress, in order to carry out international health activities to respond to the current and any future Ebola, polio, and coronavirus outbreaks.

Section 212(1) of the FY19 HHS Appropriations Act permits the Secretary of HHS to exercise authority equivalent to that available to the Secretary of State under 22 U.S.C 2669(c) to award personal services contracts for work performed in foreign countries. The authority delegated herein includes the authority to determine the necessity of negotiating, executing, and performing such contracts without regard to statutory provisions as related to the negotiation, making, and performance of contracts and performance of work in the United States.

The authority under section 212(1) is immediately revoked in the event that any subsequent fiscal year HHS appropriations act does not contain the provision currently in section 212(1) or substantially similar authority.

The Chief Operating Officer, CDC, shall consult with the Secretary of State and relevant Chief of Mission to ensure that this authority is exercised in a manner consistent with section 207 of the Foreign Service Act of 1980 and other applicable statutes administered by the Department of State.

This delegation supersedes the delegation of similar name, approved by the Director, CDC, on September 26, 2019.

This delegation became effective on March 17, 2020 and is valid through fiscal year 2021. The Director, CDC, affirms and ratifies any actions taken that involve the exercise of the authority
