DEPARTMENT OF HEALTH AND HUMAN SERVICES

President's Advisory Council for Faith-based and Neighborhood Partnerships

In accordance with section 10(a)(2) of the Federal Advisory Committee act (Pub. L. 92-463), the President's Advisory Council for Faith-based and Neighborhood Partnerships announces the following meeting:

Name: Meeting of President's Advisory Council for Faith-based and Neighborhood Partnerships

Dates: The meeting will be held on July 8-9th, 2009. For more information on meeting times please contact Mara Vanderslice at maravanderslice@hhs.gov.

Place: The meeting will take place at the White House.

Status: Portions of the meeting will be open to the public, limited only by space available.

Purpose: The Council brings together leaders and experts in fields related to the work of faith-based and neighborhood organizations in order to: Identify best practices and successful modes of delivering social services; evaluate the need for improvements in the implementation and coordination of public policies relating to faith-based and other neighborhood organizations and make recommendations for changes in policies, programs and practices.

Summary: The President's Advisory Council for Faith-based and Neighborhood Partnerships will hold a Council meeting. Topics to be discussed include updates from Council subcommittees on Reform of the

Office, Economic Recovery, Fatherhood and Healthy Families, Inter-religious Dialogue and Cooperation, Environment and Climate Change and Global Poverty and Development.

For Further Information Contact: Mara Vanderslice, 202-205-2419, mara.vanderslice@hhs.gov.

Dated: June 22, 2009.

Mara Vanderslice,

Special Assistant.

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10237, CMS-10137, CMS-10285, CMS-R-38, CMS-R-70, CMS-10287, CMS-10080 and CMS-846-849, 854, 10125, 10126, and 10269]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. Type of Information Collection Request: Revision of a currently approved collection; **Title of Information Collection:** Medicare Advantage Applications—Part C; **Use:** Under section 1851(a)(1) of the Social Security Act, every individual entitled to Medicare Part A and enrolled under Part B, except for most individuals with end-stage renal disease (ESRD), could elect to receive benefits either through the Original Medicare Program or an M+C plan, if one was offered where he or she lived. The Medicare Prescription Drug, Improvement, and Modernization

Act of 2003 (MMA) Pub. L. 108-173 was enacted on December 8, 2003. The MMA established the Medicare Prescription Drug Benefit Program (Part D) and made revisions to the provisions of Medicare Part C, governing what is now called the Medicare Advantage (MA) program (formerly Medicare+Choice).

Coverage for the prescription drug benefit is provided through contracted prescription drug plans or through Medicare Advantage (MA) plans that offer integrated prescription drug and health care coverage (MA-PD plans). Cost plans that are required under section 1876 of the Social Security Act, and Employer Group Waiver Plans (EGWP) may also provide a Part D benefit. Organizations wishing to provide services under the MA and MA-PD plans must complete an application, negotiate rates and receive final approval from CMS. Certain existing MA plans may also expand their contracted area by completing the Service Area Expansion (SAE) application. Health plans must meet regulatory requirements to enter into a contract with CMS in order to provide health benefits to Medicare beneficiaries. The revised MA applications are the collection receptacles required. Refer to the supporting document “High-Level Summary of All Part C Application Revisions from 2010 Version of Part C Application to 2011 Version” for a list of changes: **Form Number:** CMS-10237 (OMB#: 0938-0935); **Frequency:** Reporting—Yearly; **Affected Public:** Business or other for-profits and Not-for-profit institutions; **Number of Respondents:** 291; **Total Annual Responses:** 291; **Total Annual Hours:** 9,547. (For policy questions regarding this collection contact Letticia Ramsey at 410-786-5262. For all other issues call 410-786-1326.)

2. Type of Information Collection Request: Revision of a currently approved collection; **Title of Information Collection:** Application for Prescription Drug Plans (PDP); Application for Medicare Advantage Prescription Drug (MA-PD); Application for Cost Plans to Offer Qualified Prescription Drug Coverage; Application for Employer Group Waiver Plans to Offer Prescription Drug Coverage; Service Area Expansion Application for Prescription Drug Coverage; **Use:** The Medicare Prescription Drug Benefit program was established by section 101 of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) and is codified in section 1860D of the Social Security Act (the

Act). Section 101 of the MMA amended Title XVIII of the Social Security Act by redesignating Part D as Part E and inserting a new Part D, which establishes the voluntary Prescription Drug Benefit Program (“Part D”). The MMA was amended on July 15, 2008 by the enactment of the Medicare Improvements for Patients and Providers Act of 2008 (MIPPA).

Coverage for the prescription drug benefit is provided through contracted prescription drug plans (PDPs) or through Medicare Advantage (MA) plans that offer integrated prescription drug and health care coverage (MA-PD plans). Cost Plans that are regulated under Section 1876 of the Social Security Act, and Employer Group Waiver Plans (EGWP) may also provide a Part D benefit. Organizations wishing to provide services under the Prescription Drug Benefit Program must complete an application, negotiate rates and receive final approval from CMS. Existing Part D sponsors may also expand their contracted service area by completing the Service Area Expansion (SAE) application. Refer to supporting document “Summary of Substantive and Technical Changes for All Part D Application Revisions from 2010 Version of Part D application to 2011 Draft Version”: **Form Number:** CMS-10137 (OMB#: 0938-0936); **Frequency:** Reporting—Once; **Affected Public:** Business or other for-profits and Not-for-profit institutions; **Number of Respondents:** 453; **Total Annual Responses:** 453; **Total Annual Hours:** 11,919. (For policy questions regarding this collection contact Marla Rothhouse at 410-786-8063. For all other issues call 410-786-1326.)

3. Type of Information Collection Request: Revision of a currently approved collection; **Title of Information Collection:** Request for Expedited Review of Denial of Premium Assistance; **Use:** The American Recovery and Reinvestment Act of 2009 provides for premium assistance and expanded eligibility for health benefits under both the Consolidated Omnibus Budget Reconciliation Act of 1986, commonly called COBRA, and comparable State continuation coverage programs. This premium assistance is not paid directly to the covered employee or the qualified beneficiary, but instead is in the form of a tax credit for the health plan, the employer, or the insurer. “Assistance eligible individuals” pay only 35% of their continuation coverage premiums to the plan and the remaining 65% is paid through the tax credit.

If an individual requests treatment as an assistance eligible individual and the
