website and the websites of video programming distributors (if they have them), and in billing statements (to the extent video programming distributors issue them); and video programmers filing of contact information and compliance certifications with the Commission.

On February 19, 2016, the Commission adopted the *Closed Captioning Quality Second Report and Order*, published at 81 FR 57473, August 23, 2016, amending its rules to allocate the responsibilities of VPDs and video programmers with respect to the provision and quality of closed captioning. The Commission took the following actions, among others:

(a) Required video programmers to file certifications with the Commission that (1) the video programmer (i) is in compliance with the rules requiring the inclusion of closed captions, and (ii) either is in compliance with the captioning quality standards or has adopted and is following related Best Practices; or (2) is exempt from the captioning obligation and specifies the exemption claimed.

(b) Revised the procedures for receiving, serving, and addressing television closed captioning complaints in accordance with a burden-shifting compliance model.

(c) Established a compliance ladder for the Commission's television closed captioning quality requirements.

(d) Required VPDs to use the Commission's web form when providing contact information to the VPD registry.

(e) Required video programmers to register their contact information with the Commission for the receipt and handling of written closed captioning complaints.

BILLING CODE P

FEDERAL TRADE COMMISSION

Agency Information Collection Activities; Submission for OMB Review; Comment Request

AGENCY: Federal Trade Commission (FTC).

ACTION: Notice and request for comment.

SUMMARY: The FTC requests that the Office of Management and Budget (OMB) extend for three years the current Paperwork Reduction Act (PRA) clearance for information collection requirements contained in the Use of Prenotification Negative Option Plans (Negative Option Rule or Rule). That clearance expires on December 31, 2020.

DATES: Comments must be received by December 3, 2020.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. The reginfo.gov web link is a United States Government website produced by OMB and the General Services Administration (GSA). Under PRA requirements, OMB's Office of Information and Regulatory Affairs (OIRA) reviews Federal information collections.

FOR FURTHER INFORMATION CONTACT: Hampton Newsome, Attorney, Division of Enforcement, Federal Trade Commission, Room CC-9528, 600 Pennsylvania Avenue NW, Washington, DC 20580, (202) 326-2889.

SUPPLEMENTARY INFORMATION:

Title: Use of Prenotification Negative Option Plans (Negative Option Rule or Rule), 16 CFR 425.¹

OMB Control Number: 3084-0104.

Type of Review: Extension of a currently approved collection.

Likely Respondents: Sellers of prenotification subscription plans.

Estimated Annual Hours Burden: 9,750 hours.

Estimated Annual Cost Burden: \$572,300 (solely related to labor costs).

Estimated Capital or Other Non-Labor Cost: \$0 or *de minimis*.

Abstract: The Negative Option Rule governs the operation of prenotification subscription plans. Under these types of plans—which can include things such as a book of the month club, food of the month club, or clothing items of the month club—a seller provides a consumer with automatic shipments of merchandise unless the consumer affirmatively notifies the seller they do not want the shipment. The Rule requires that a seller notify a member that they will automatically ship merchandise to the member and bill the member for the merchandise if the subscriber fails to expressly reject the merchandise beforehand within a prescribed time. The Rule protects consumers by: (a) Requiring that promotional materials disclose the terms of membership clearly and conspicuously; and (b) establishing procedures for the administration of such "negative option" plans.

Request for Comment

On August 3, 2020, the FTC sought public comment on the information collection requirements associated with the Rule. 85 FR 46628. The Commission received one anonymous comment (#0049-0002), which generally supported the Rule's extension.² Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for the Rule.

Your comment—including your name and your state—will be placed on the public record of this proceeding. Because your comment will be made

¹ The Commission recently published an Advance Notice of Proposed Rulemaking seeking comments on the need for amendments to the current Rule. 84 FR 52393 (Oct. 2, 2019). The present PRA Notice is not part of that proceeding and merely seeks comment on the existing burden estimates for the current Rule, which applies only to "prenotification" negative option plans.
