SUPPLEMENTARY INFORMATION:**Electronic Version**

The electronic file of this document is available on the date of publication in the **Federal Register** at <http://www.gpoaccess.gov/fr/index.html>.

Background

The current regulation at 20 CFR 422.527 requires any person who wishes to reproduce, duplicate, or privately print any application or other form prescribed by SSA to obtain prior approval of such use from SSA. Consistent with the requirements of 20 CFR 422.527, in 1992, SSA began approving requests from the public to duplicate or privately print the Administration's applications or other forms. The requirement to obtain SSA approval applied whether or not the person intended to charge a fee.

Section 312(a) of the Social Security Independence and Program Improvement Act (SSIPA) amended the Social Security Act (the Act) and, among other things, added section 1140(a)(2)(A) to the Act. Pub. L. 103-296, Sec. 312(a) (codified as 42 U.S.C. 1320b-10(a)(2)(A)). This section prohibits any person from charging a fee to reproduce, reprint, or distribute SSA's official applications, forms, or publications unless the Commissioner grants the person specific written authorization in accordance with regulations which the Commissioner shall prescribe. These final rules will implement section 312(a) of the SSIPA by adding SSA publications to § 422.527 and by providing for SSA's prior approval of requests to reproduce, reprint, and/or distribute its applications, forms, or publications when the person intends to charge a fee. Furthermore, this final rule will implement section 312(a) by

establishing the procedure any person who intends to charge a fee for reproducing, reprinting, or distributing SSA materials must follow to obtain SSA's prior approval. The requirement to obtain SSA's prior approval will apply regardless of the means the person uses to transmit the document, e.g., Internet or direct mail. These final rules will help to ensure that consumers obtain accurate and current materials and information regarding the Administration's programs. Nothing in this rule alters or affects the requirement to submit the forms and applications prescribed by SSA or otherwise permits any modifications of SSA's prescribed forms and applications.

Regulatory Procedures*Executive Order 12866*

We have consulted with the Office of Management and Budget (OMB) and determined that these final rules do not meet the criteria for a significant regulatory action under Executive Order 12866, as amended.

Regulatory Flexibility Act

We certify that these final rules will not have a significant economic impact on a substantial number of small entities. Therefore, a regulatory flexibility analysis as provided in the Regulatory Flexibility Act, as amended, is not required.

Paperwork Reduction Act

In these final rules at 20 CFR 422.527, we are implementing the following provisions: (1) SSA's publications will be added to the list of items which require the Administration's pre-authorization to reprint privately; (2) SSA's authorization to reprint applications, forms, or publications will only be required if the person or company intends to charge a fee to for the reprinted item(s); and (3) the procedures a person who intends to charge a fee must follow to obtain SSA's authorization.

These final rules contain information collection requirements that need Office of Management and Budget clearance under the Paperwork Reduction Act of 1995 (PRA). As required by the PRA, SSA has submitted a clearance request for the regulation section and for form SSA-1010 ("Request to Reproduce, Duplicate, or Distribute SSA Forms, Applications, or Publications"). SSA will use Form SSA-1010 to collect the required information described in these final rules. SSA will publish the OMB number and expiration date upon approval.

As required by the PRA, SSA published a Notice of Proposed

Rulemaking on August 16, 2007, at 72 FR 45991. In this Notice, SSA solicited comments under the PRA on the burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. We did not receive any comments from the public.

[TD 9372]

RIN 1545–BE08

Disclosure of Return Information to the Bureau of the Census

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Final regulation.

SUMMARY: This document contains a final regulation relating to the list of items of return information disclosed to the Bureau of the Census (Bureau). The regulation adds two items of return information for use in producing demographic statistics programs, including the Bureau's Small Area Income and Poverty Estimates (SAIPE). The final regulation also removes four items that the Bureau has indicated are no longer necessary. This regulation facilitates the assistance of the IRS to the Bureau in its statistics programs and requires no action by taxpayers and has no effect on their tax liabilities.

DATES: *Effective Date:* This regulation is effective on December 27, 2007.

Applicability Date: For dates of applicability, see § 301.6103(j)(1)–1.

FOR FURTHER INFORMATION CONTACT: Glenn Melcher, (202) 622–4570 (not a toll-free number).

SUPPLEMENTARY INFORMATION:

Background

Under section 6103(j)(1), upon written request from the Secretary of Commerce, the Treasury Secretary is to furnish to the Bureau of the Census (Bureau) return information as may be prescribed by Treasury regulations for the purpose of, but only to the extent necessary in, structuring censuses and conducting related statistical activities authorized by law. Section 301.6103(j)(1)–1 of the regulations further defines such purposes by reference to 13 U.S.C. chapter 5 and provides an itemized description of the return information authorized to be disclosed for such purposes.

This document adopts a final regulation that authorizes the IRS to disclose the additional items of return information that have been requested by the Secretary of Commerce in

developing and preparing demographic statistics, including statutorily mandated Small Area Income and Poverty Estimates (SAIPE). The final regulation also removes certain items of return information that are authorized to be disclosed in the existing regulation but that the Secretary of Commerce has indicated are no longer needed.

The final regulation in this issue of the **Federal Register** amends the Procedure and Administration Regulations (26 CFR part 301) relating to Internal Revenue Code (Code) section 6103(j)(1). The final regulation contains rules relating to the disclosure of return information reflected on returns to officers and employees of the Department of Commerce for structuring censuses and conducting related statistical activities authorized by law.

A notice of proposed rulemaking (REG–147195–04, 2005–1 CB 888 [70 FR 12166–01]) was published in the **Federal Register** on March 11, 2005. No comments were received from the public in response to the notice of proposed rulemaking. No public hearing was requested or held. The proposed regulation is adopted by this Treasury decision.

Explanation of Provisions

As duly requested by the Secretary of Commerce and set forth in the proposed regulation, this final regulation permits disclosure to the Bureau of earned income and the number of Earned Income Credit-eligible qualifying children.

The regulation also removes four items of return information that the Bureau indicated it no longer requires. These items are: (1) End-of-year code; (2) months actively operated; (3) total number of documents and the total amount reported on the Form 1096 (Annual Summary and Transmittal of U.S. Information Returns) transmitting Forms 1099–MISC (Miscellaneous Income); and (4) Form 941 (Employer's Quarterly Federal Tax Return) indicator and business address on Schedule C (Profit or Loss From Business) of Form 1040. Accordingly, the regulation has removed these items of return information from those that may be disclosed to the Bureau.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to this regulation, and because the
