

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–548, OMB Control No. 3235–0609]

Proposed Collection; Comment Request; Extension: Regulation S–AM*Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street, NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Regulation S–AM (17 CFR part 248, subpart B), under the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*) (“FCRA”), the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), the Investment Company Act of 1940 (15 U.S.C. 80a–1 *et seq.*), and the Investment Advisers Act of 1940 (15 U.S.C. 80b–1 *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Regulation S–AM implements the requirements of Section 624 of the FCRA (15 U.S.C. 1681s–3) with respect to investment advisers and transfer agents registered with the Commission, as well as brokers, dealers and investment companies (collectively, “Covered Persons”). Section 624 and Regulation S–AM limit a Covered Person’s use of certain consumer financial information received from an affiliate to solicit a consumer for marketing purposes, unless the consumer has been given notice and a reasonable opportunity and a reasonable and simple method to opt out of such solicitations. Regulation S–AM potentially applies to all of the approximately 21,896 Covered Persons registered with the Commission, although only approximately 12,262 of them have one or more corporate affiliates, and the regulation requires only approximately 2,190 to provide consumers with an affiliate marketing notice and an opt-out opportunity.

The Commission staff estimates that there are approximately 12,262 Covered Persons having one or more affiliates, and that they each spend an average of 0.20 hours per year to review affiliate marketing practices, for, collectively, an estimated annual time burden of approximately 2,452 hours at an annual internal compliance cost of approximately \$1,444,228. The staff also

estimates that approximately 2,190 Covered Persons provide notice and opt-out opportunities to consumers, and that they each spend an average of 7.6 hours per year creating notices, providing notices and opt-out opportunities, monitoring the opt-out notice process, making and updating records of opt-out elections, and addressing consumer questions and concerns about opt-out notices, for, collectively, an estimated annual time burden of approximately 16,644 hours at an annual internal compliance cost of approximately \$3,599,484. Thus, the staff estimates that the collection of information requires a total of approximately 12,262 respondents to incur an estimated total annual time burden of approximately 19,096 hours at a total annual internal cost of compliance of approximately \$5,043,712.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing by October 24, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: August 17, 2022.

Jill M. Peterson,
Assistant Secretary.

SUPPLEMENTARY INFORMATION: None.

Matthew Ramsey,

Executive Director, Office of Privacy and Disclosure, Office of the General Counsel.

Participating Agencies: SSA and RRB.
Authority for Conducting the Matching Program: This matching agreement between RRB and SSA is executed pursuant to the Privacy Act of 1974, (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988, and the Office of Management and Budget Final Guidance interpreting those Acts.

The legal authority for the disclosures under this agreement is the Privacy Act of 1974, as amended (5 U.S.C. 552a(b)(3)), which authorizes a Federal agency to disclose information from its system of records, without prior written consent, when such disclosure is pursuant to a routine use.

The legal authority for SSA to conduct this matching activity is sections 1144 and 1860D-14 of the Social Security Act (Act) (42 U.S.C. 1320b-14 and 1395w-114).

Purpose(s): This matching agreement establishes the conditions under which the RRB will disclose to SSA information necessary to verify an individual's self certification of eligibility for the Extra Help with Medicare Prescription Drug Plan Costs program (Extra Help). It will also enable SSA to identify individuals who may qualify for Extra Help as part of the agency's Medicare outreach efforts.

Categories of Individuals: The individuals whose information is involved in this matching program are individuals who self certify for Extra Help or may qualify for Extra Help. SSA matches RRB's information with its Medicare Database (MDB) File, which includes claimants, applicants, beneficiaries, ineligible spouses and potential claimants for Medicare Part A, Medicare Part B, Medicare Advantage Part C, Medicare Part D and for Medicare Part D prescription drug coverage subsidies.

Categories of Records: RRB will transmit its annuity payment data monthly from its RRB-22, *Railroad Retirement Survivors and Pension Benefits System*, system of records. The file will consist of approximately 600,000 electronic records.

RRB will transmit its Post Entitlement System file daily. The number of records will differ each day, but consist of approximately 3,000 to 4,000 records each month.

RRB will transmit files on all Medicare eligible Qualified Railroad Retirement Beneficiaries from its RRB-20, *Health Insurance and Supplementary Medical Insurance Enrollment and Premium Payment System (Medicare)*, and RRB-22 systems of records to report address changes and subsidy changing event information monthly. The file will consist of approximately 520,000 electronic records. The number of people who apply for Extra Help determines in part the number of records matched.

SSA's comparison file will consist of approximately 90 million records obtained from MDB File.

SSA will conduct the match using each individual's Social Security number, name, date of birth, RRB claim number, and RRB annuity payment amount in both RRB and MDB File.

System(s) of Records: RRB will provide SSA with data from its RRB-22 system of records, last published on September 30, 2014 (79 FR 58886), and RRB-20 systems of records, last published on May 15, 2015 (80 FR 28018).

SSA will match RRB's data with its MDB File, system of records No. 60-0321, published on July 25, 2006 (71 FR 42159), and amended on December 10, 2007 (72 FR 69723).
