

or in our reading room (see **ADDRESSES** above for a link to *Regulations.gov* and information on the location and hours of the reading room). You may request paper copies of the EA by calling or writing to the person listed under **FOR FURTHER INFORMATION CONTACT**. Please refer to the title of the EA when requesting copies.

The EA has been prepared in accordance with: (1) The National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), (2) regulations of the Council on Environmental Quality for implementing the procedural provisions of NEPA (40 CFR parts 1500–1508), (3) USDA regulations implementing NEPA (7 CFR part 1b), and (4) APHIS' NEPA Implementing Procedures (7 CFR part 372).

Unless substantial issues with adverse environmental impacts are raised in response to this notice, APHIS intends to issue a finding of no significant impact (FONSI) based on the EA and authorize shipment of the above product for the initiation of field tests following the close of the comment period for this notice.

Because the issues raised by field testing and by issuance of a license are identical, APHIS has concluded that the EA that is generated for field testing would also be applicable to the proposed licensing action. Provided that the field test data support the conclusions of the original EA and the issuance of a FONSI, APHIS does not intend to issue a separate EA and FONSI to support the issuance of the product license, and APHIS would determine that an environmental impact statement need not be prepared. APHIS intends to issue a veterinary biological product license for this vaccine following completion of the field test provided no adverse impacts on the human environment are identified and provided the product meets all other requirements for licensing.

Authority: 21 U.S.C. 151–159; 7 CFR 2.22, 2.80, and 371.4.

DEPARTMENT OF AGRICULTURE

Farm Service Agency

[Docket ID FSA–2022–0010]

Request for Applications for Heirs' Property Relending Program

AGENCY: Farm Service Agency, USDA.

ACTION: Notice and request for applications.

SUMMARY: The Farm Service Agency (FSA) is announcing the opportunity for interested eligible entities, including cooperatives, credit unions, and nonprofit organizations certified to operate as a lender, to apply for loans under the Heirs' Property Relending Program (HPRP). Approved entities will serve as intermediaries who will relend HPRP funds for projects that assist heirs with undivided ownership interests to resolve ownership and succession issues on farmland that has multiple owners (commonly referred to as "Heirs' property").

DATES: The application period will open on August 30, 2022 and will continue indefinitely until a closing date is announced in a notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Raenata Walker; telephone: (202) 720–4671; email: sm.fpac.fsa.wdc.hprp@usda.gov. Persons with disabilities or who require alternative means for communication should contact the USDA Target Center at (202) 720–2600 (voice).

SUPPLEMENTARY INFORMATION:

Background

HPRP was authorized by section 5104 of the Agricultural Improvement Act of 2018 (2018 Farm Bill, Pub. L. 115–334), codified in 7 U.S.C. 1936c. HPRP provides loans to eligible entities to relend with the purpose of assisting heirs with undivided ownership interests to resolve ownership and succession issues on farms that are owned in common by multiple heirs. HPRP loan funds may be used to purchase and consolidate fractional interests held by other heirs in jointly owned property, and to pay for costs and fees associated with developing and implementing a succession plan (for example, closing costs, appraisals, title searches, surveys, mediation, and legal services). During the initial application period announced in the HPRP final rule published in the **Federal Register** on August 9, 2021 (86 FR 43381–43397), FSA implemented a 60-day application period due to concerns around the availability of funds. After completing

the initial controlled rollout of HPRP, FSA has expanded funding for HPRP and is announcing the reopening of the application period for eligible entities to apply for HPRP without a closing date at this time. In the event that applications are expected to exceed available funding, a closing date for applications will be announced and priority will be given to applicants in accordance with 7 U.S.C. 1936c(d). Any such closing date will be announced in the **Federal Register** as specified in 7 CFR part 769 subpart B. Additional information on HPRP can be found on FSA's Farmers.gov website at www.farmers.gov/working-with-us/heirs-property-eligibility/relending, and in 7 CFR part 769 subpart B.

Application and Submission Information

Eligible lenders can obtain applications and submission information at FSA's Farmers.gov website at www.farmers.gov/working-with-us/heirs-property-eligibility/relending.

Application Review Information

FSA will process and approve applications in accordance with the regulations in 7 CFR part 769 subpart B.
