

contracted (DPC), acquired voting securities of a bank or BHC or the securities or assets of a company engaged in a nonbanking activity to seek prior Board approval in order to retain ownership of those shares or assets for more than two years.

Proposed revisions: The Board proposes to revise the FR 4006 to account for the voluntary reporting provisions set forth in sections 225.140(c) and 225.140(d) of Regulation Y. These sections state, respectively, that a BHC that holds nonbanking DPC assets past the two-year statutory holding period should report annually to the appropriate Reserve Bank on its efforts to accomplish divestiture of such assets and that a BHC that holds real estate acquired as DPC property for longer than five years should keep the appropriate Reserve Bank advised on a regular basis concerning its efforts to dispose of the property.

Legal authorization and confidentiality: The FR 4006 is authorized pursuant to sections 3(a) and 4(c)(2) of the BHC Act¹ and sections 225.12(b) and 225.22(d) of the Board's Regulation Y, which permit a BHC to acquire securities or assets in the ordinary course of collecting a DPC in good faith without seeking prior Board approval if such securities or assets (DPC property) are divested within two years of acquisition. To hold the DPC property beyond this two-year period, a BHC must seek the Board's approval.² The FR 4006 is required to obtain this benefit.

The information contained on the FR 4006 is not considered confidential unless an applicant requests confidential treatment in accordance with the Board's Rules Regarding Availability of Information.³ Requests for confidential treatment of information are reviewed on a case-by-case basis. Information provided on the FR 4006 may be nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, which is protected from disclosure pursuant to

exemption 4 of the Freedom of Information Act.⁴
