BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2013-0019]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated March 6, 2014, the Old Augusta Railroad (OAR) petitioned the Federal Railroad Administration (FRA) for an amended waiver of compliance from certain provisions of the Federal hours-of-service laws contained at 49 U.S.C. Section 21103(a)(4). FRA assigned the petition Docket Number FRA-2013-0019.

In its petition, OAR seeks to amend its previously filed petition for relief from 49 U.S.C. Section 21103(a)(4), by changing one of the conditions of the waiver. FRA granted OAR's petition for a waiver in a July 30, 2013, letter. The waiver allows a train employee to initiate an on-duty period each day for 7 consecutive days followed by 72 hours off duty. Additionally, an employee may initiate an on-duty period for an eighth consecutive day followed by 72 hours off duty once per 30-day period, if all eight assignments do not infringe upon the time period of midnight to 6 a.m.

OAR seeks to amend its waiver by changing the conditions of the waiver to allow an eighth consecutive day followed by 72 hours off duty once per 30-day period, if all eight assignments do not infringe upon the time period of 10 p.m. to 5 a.m. OAR explains that its employees go on duty at 5 a.m. and changing the exclusionary time period for an eighth consecutive day, from midnight to 6 a.m. to 10 p.m. to 5 a.m., will allow better use of the waiver.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at

www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2003-14408]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated January 15, 2014, Union Pacific Railroad (UP) has petitioned the Federal Railroad Administration (FRA) for an extension of its waiver of compliance from certain provisions of the Federal railroad safety regulations contained in 49 CFR part 218, Subpart B, Blue Signal Protection of Workers. FRA assigned the petition Docket Number FRA-2003-14408.

UP seeks a 10-year extension of its relief from 49 CFR 218.22(c)(5), *Utility employee*. This section lists the functions allowed to be performed by a utility employee without establishing Blue Signal Protection. Although the employee under this section is allowed to remove or replace an end-of-train (EOT) telemetry device, FRA has maintained that removing or replacing a battery in an EOT, while the device is in place on the rear of the train, requires blue signal protection because this task is a service and repair to the device. The present relief allows operating craft utility employees to change out EOT batteries as long as the changeout does not require the use of a tool.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
