### Foreign-Trade Zones Board

[B-29-2015]

#### **Foreign-Trade Zone (FTZ) 148— Knoxville, Tennessee; Notification of Proposed Production Activity; CoLinx, LLC (Bearing Units); Crossville, Tennessee**

The Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee, grantee of FTZ 148, submitted a notification of proposed production activity to the FTZ Board on behalf of CoLinx, LLC (CoLinx), located in Crossville, Tennessee. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 29, 2015.

The CoLinx facilities are located within Sites 2, 6 and 7 of FTZ 148. The facilities are used for the distribution and assembly of kits of bearing products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted

notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt CoLinx from customs duty payments on the foreign status components used in export production. On its domestic sales, CoLinx would be able to choose the duty rates during customs entry procedures that apply to: Mounted unit roller assemblies (housed, spherical roller bearing units); and, mounted unit ball assemblies (housed ball bearing units) (duty rate 4.5%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Mineral oil based, lithium soap thickened bearing grease; double row insert bearings (spherical rollers), nitrile rubber contact lip seals with spring-loaded lips; and, plastic end caps for bearing housings (duty rate ranges from 2.5% to 1.3¢/kg + 5.7%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is June 17, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

### International Trade Administration

#### **Education Trade Mission to Africa, March 7-10, 2016**

**AGENCY:** International Trade Administration, Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** The United States Department of Commerce, International Trade Administration, is organizing an

education mission to South Africa and Ghana with an optional stop in the Côte d'Ivoire. Department of Commerce is partnering with the Department of State's EducationUSA Advising Centers in each location. This trade mission will be led by a senior Department of Commerce official and the emphasis will be on higher education programs, community college programs and summer, undergraduate and graduate programs.

This mission will seek to connect U.S. higher education institutions to potential students and university/institution partners in these three African countries. The mission will include student fairs organized by Education USA, embassy briefings, site visits, and networking events in our target cities of Johannesburg, Accra, and Abidjan. Participation in the Education Mission to these nations, rather than traveling independently to each market, will enhance the ability of participants to secure appropriate meetings with productive contacts in the target markets.

Summer programs seeking to participate should be appropriately accredited by an accreditation body recognized by the U.S. Department of Education. Community colleges, undergraduate and graduate programs seeking to participate should be accredited by a recognized accreditation body listed in Council for Higher Education Accreditation (CHEA) or Accrediting Council for Education and Training (ACCET), in the Association of Specialized and Professional Accreditors (ASPA), or any accrediting body recognized by the U.S. Department of Education.

The delegation will include representatives from approximately 25 different educational institutions.

#### **Mission Goals**

The goals of the United States Education Mission to Africa are: (1) To help participants gain market exposure and to introduce participants to the vibrant African market in the countries of South Africa, Ghana, and Côte d'Ivoire (2) to help participants assess current and future business prospects by establishing valuable contacts with prospective students and educational institutions/partners; and (3) to help participants develop market knowledge and relationships leading to student recruitment and potential partnerships.
