SUPPLEMENTARY INFORMATION:

Title: Accounting for Comparison (Dual Accounting).

OMB Control Number: 1010-0104.
Bureau Form Number: Form MMS-4410.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary of the Interior (Secretary) is responsible for managing the production of minerals from Federal and Indian lands and the OCS, collecting royalties from lessees who produce minerals, and distributing the funds collected in accordance with applicable laws. The Secretary also has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. MMS performs the royalty management functions for the Secretary.

MMS regulations at 30 CFR 206.172 require lessees to certify on Form MMS-4410, "Certification for Not Performing Accounting for Comparison (Dual Accounting)," that dual accounting is not required for a specific Indian lease. This is a one-time certification that remains in effect until there is a change in lease status or ownership. In this information collection request, we are asking approval to add to Form MMS-4410 the lessee's reason for not performing dual accounting. The certification and reason for not performing dual accounting will be submitted on new Part A of Form MMS-4410.

MMS regulations also require lessees to elect to perform either actual dual accounting under 30 CFR 206.176 or the alternative methodology for dual accounting under 30 CFR 206.173. Previously, lessees reported the dual accounting election on a monthly basis on Form MMS-2014, Report of Sales and Royalty Remittance. However, in our reengineering initiative, we redesigned and streamlined Form MMS-2014 (OMB Control Number 1010-0140). The revised Form MMS-2014 no longer contains the dual
