Respondents are medical professionals who provide medical and peer review of cases appealed to the Office of Appeals, Hearings and Claims Collection Division, TRICARE Management Activity. CHAMPUS Form 780 records the professional qualifications of the medical/peer reviewer. The completed form is included as an exhibit in the appeal or hearing case file, and documents, for anyone reviewing the file, the professional qualifications of the medical professional who reviews the case. If the form is not included in the case file, individuals reviewing the file will not have ready access to the qualifications of the reviewing medical professional.
