

publication of this notice of final results of review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed company will be 12.07 percent; (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or in the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this review, the cash deposit rate will continue to be 2.90 percent, which is the "all others" rate from the LTFV investigation (47 FR 7459, February 12, 1982).

These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 771(i)(1) of the Act.

Dated: February 7, 2000.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

University of California; Notice of Decision on Application for Duty-Free Entry of Scientific Instrument

This decision is made pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 a.m. and 5 p.m. in Room 4211, US Department of Commerce, 14th and Constitution Avenue, NW, Washington, DC

Docket Number: 99-032. *Applicant:* University of California, Los Alamos, NM 87545. *Instrument:* Solid State Quantum Computer, Model Multiprobe S. *Manufacturer:* Omicron Vakuum Physik GmbH, Germany. *Intended Use:* See notice at 64 FR 72649, December 28, 1999.

Comments: None received. *Decision:* Approved. No instrument of equivalent scientific value to the foreign instrument, for such purposes as it is intended to be used, is being manufactured in the United States.

Reasons: The foreign instrument provides an ultra-high vacuum chamber with compatible scanning probe, scanning tunneling and atomic force microscopes for depositing an array of phosphorus atoms on a silicon surface having the following capabilities: (1) An operating temperature range from 25 to 1500 degrees K, (2) adequate internal and external vibrational damping and isolation and (3) a 10 µm x 10 µm x 1 µm scan range to be used in a solid state quantum computer. A university center for advanced microstructural devices and the National Institute of Standards and Technology advise that (1): These capabilities are pertinent to the applicant's intended purpose and (2) they know of no domestic instrument or apparatus of equivalent scientific value to the foreign instrument for the applicant's intended use.

We know of no other instrument or apparatus of equivalent scientific value to the foreign instrument which is being manufactured in the United States.

Frank W. Creel,

Director, Statutory Import Programs Staff.

National Telecommunications and Information Administration

[Docket No. 000208032-0032-01]

Public Meeting, Request for Comment on Rural and Small Market Access to Local Television Broadcast Signals

AGENCY: National Telecommunications and Information Administration, Department of Commerce.

ACTION: Notice of public meeting; Request for public comment.

SUMMARY: The Assistant Secretary for Communications and Information and Administrator of the National Telecommunications and Information Administration (NTIA), Gregory L. Rohde, will host a roundtable discussion open to the public that will explore rural and small market access to local television broadcast signals (Rural TV Roundtable). NTIA also requests public comment on the ways to ensure that television viewers in rural regions, small markets, and other unserved areas of the United States can receive greater access to local programming through new technologies. New technological innovations are providing unprecedented opportunities to expand the reach of broadcast programming to America's rural regions, small markets, and other unserved areas. While some viewers in rural and small markets and other unserved areas have been able to receive broadcast network programming via cable and satellite, these programming signals often originate hundreds or even thousands of miles away, and do not provide these communities with local programming. This notice, through a series of questions, requests public comment on issues relating to the means by which access to local television can be made available to television viewers in small markets, rural communities and other unserved areas.

DATES: The Rural TV Roundtable will be held from 9:30-11:30 a.m. on March 2, 2000. Written comments must be filed on or before April 14, 2000. Written reply comments must be filed on or before May 15, 2000.

ADDRESSES: The Rural TV Roundtable will be held from 9:30-11:30 a.m. on March 2, 2000, at the U.S. Department of Commerce, Room 4830, 1401 Constitution Avenue NW, Washington, DC 20230. The meeting will be open to the public. For current information on the roundtable, please see NTIA's website at <http://www.ntia.doc.gov/ntiahome/ruraltvroundtable/>.
