Subpart A—General**§ 1801.1 Annual Truman Scholarship competition.**

Each year, the Harry S. Truman Scholarship Foundation carries out a nationwide competition to select students to be Truman Scholars.

§ 1801.2 Truman Scholars are selected from qualified applicants from each State.

(a) At least one Truman Scholar is selected each year from each State in which there is a resident applicant who meets minimum eligibility criteria as established by the Foundation. These minimum eligibility criteria are stated in §§ 1801.3, 1801.21 and 1801.23.

(b) As used in this part, *State* means each of the States, the District of Columbia, the Commonwealth of Puerto Rico, and considered as a single entity: Guam, the Virgin Islands, American Samoa, and the Commonwealth of the Northern Mariana Islands (The Islands).

§ 1801.3 Students eligible for nomination.

A student is eligible to be nominated for a Truman Scholarship if he or she:

(a) Is a junior-level student pursuing a bachelor's degree as a full-time student at an accredited institution of higher education and will receive a baccalaureate degree the following academic year; or, is a full-time senior level student from the Commonwealth of Puerto Rico or from The Islands;

(b) Has an undergraduate field of study that permits admission to a graduate program leading to a career in public service;

(c) Ranks in the upper quarter of his or her class; and

(d) Is a U.S. citizen, a U.S. national, or a permanent resident of the Commonwealth of the Northern Mariana Islands.

§ 1801.4 Definitions.

Graduate study means the courses of study beyond the baccalaureate level which lead to an advanced degree.

Institution means an institution of higher education. "Institution of higher education" has the meaning given in

section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1141 (a)).

Junior means a student who, following completion of the current academic year, has one more year of full-time course work to receive a baccalaureate degree.

If a question arises concerning the State of residence, the Foundation determines, for the purposes of this program of which State the person is a resident, taking into account place of registration to vote, family's place of residence, home address listed for school registration, and eligibility for "in-State" tuition rates at public institutions of higher education.

Additionally, a four-year institution may nominate up to three currently enrolled juniors who completed their first two college years at a two-year institution. Nominees may have legal residence in the same State as the institution or in different States.

(b) The Foundation may announce each year in its Bulletin of Information or on its website (<http://www.truman.gov>) special circumstances

under which an institution may nominate additional candidates.

(c) All nominations must be made by the President of the institution or the designated Faculty Representative.

§ 1801.12 Institutions with more than one campus.

However, a component that is organized solely for administrative purposes and has no students may not nominate a student.

§ 1801.13 Two-year institutions.

If an institution does not offer education beyond the sophomore level, the institution may nominate only students who have completed two years at that institution and who are currently enrolled as full-time juniors at accredited four-year institutions. Faculty Representatives at two-year institutions may submit the materials directly to the Foundation or they may forward the nomination materials to the Faculty Representative of the four-year institution attended by the nominee.

§ 1801.14 Faculty Representative.

(a) Each institution which nominates a student must give the Foundation the name, business address, and business telephone number of a member of the faculty or administrator who will serve as liaison between the institution and the Foundation.

(b) The Faculty Representative is responsible for a timely submission of all nominations and supporting documentation.

(c) The Foundation delegates the responsibility to the Faculty Representative to establish a process to publicize the scholarship, recruit candidates, select nominees, and assist nominees.

§ 1801.15 Submission of application to the Foundation.

To nominate a student for the competition, the Faculty Representative must submit the completed nomination packet to the Foundation as provided in § 1801.16. The Foundation does not accept nomination packets directly from students.

(a) Leadership potential and communication skills;

(b) Likelihood of "making a difference" in public service; and

(c) Intellectual strength, analytical abilities, and prospects of performing well in graduate school.

§ 1801.23 Recommendation by panel.

(a) Each Panel is asked to recommend to the Board of Trustees the name of one

candidate from each state in the region to be appointed as a Truman Scholar. The Foundation may authorize each regional review panel to recommend additional Scholars from the States in its region.

(b) A panel's recommendations are based on the material required under § 1801.17 and, as determined in the interview, the panel's assessment of each Finalist in terms of criteria presented in § 1801.22.

(c) In the event that a regional review panel determines that none of the Finalists from a state meets all the requirements expected of a Truman Scholar, it does not provide a recommendation. The Foundation will carry over the Scholarship for that state making two Scholarships available the following year.

§ 1801.24 Selection of Truman Scholars by the Foundation.

The Foundation names Truman Scholars after receiving recommendations from the regional review panels.

Subpart D—Graduate Study

(a) By December 1, Scholars desiring Foundation support for graduate study the following academic year must submit a proposed program of graduate study to the Foundation for approval.

(b) Foundation approval in writing of the Scholar's proposal is required before

financial support is granted for graduate work.

(c) Scholars must include in their submission to the Foundation a statement of interest in a career in public service that specifies in detail how their graduate program and their overall educational and work experience plans will realistically prepare them for their chosen career goal in government or elsewhere in public service.

(d) After completing his or her undergraduate studies, a Scholar each year may request in writing a deferral of support for graduate studies. Deferrals must be requested no later than June 15 for the succeeding academic year. Scholars failing to request a year's deferral and to receive written approval from the Foundation may lose one year of funding support for each year for which they fail to request and receive deferrals. Total deferrals may not exceed four years unless an extension is granted in writing by the Foundation.

§ 1801.32 Eligible institutions and degree programs.

(a) Truman Scholars at the graduate level may use Foundation support to study at any accredited college or university in the United States or abroad that offers graduate study appropriate and relevant to their public service career goals.

(b) They may enroll in any relevant graduate program for a career in public service.

(c) Foundation support for graduate study is restricted to three years of full-time study.

Subpart E—Payments to Finalists and Scholars

The Foundation does not reimburse finalists for lodging, meals, local transportation, or other expenses. The Foundation announces the terms and conditions of support on its website (<http://www.truman.gov>) and in the Bulletin of Information.

§ 1801.41 Scholarship stipends.

The Scholarship stipend may be used only for eligible expenses in the following categories: tuition, fees, books, and room and board. Payments from the Foundation may be received to supplement, but not to duplicate, benefits received by the Scholar from the educational institution or from other foundations or organizations. sources combined may not exceed the costs of tuition, fees, books, and room and board as determined by the Foundation. The Foundation's Bulletin of Information, current at the time of the Scholar's selection, contains additional information about the terms and conditions of scholarship support.

§ 1801.42 Definition of "fee".

§ 1801.45 Deduction for benefits from other sources.

The cost allowed for a Scholar's tuition, fees, books, room and board must be reduced to the extent that the cost is paid by another organization, or provided for or waived by the Scholar's institution.

Subpart F—Payment Conditions and Procedures

§ 1801.50 Acceptance of the scholarship.

To receive any payment, a Scholar must sign an acceptance of the scholarship and acknowledgement of the conditions of the award and submit it to the Foundation.

§ 1801.51 Report at the beginning of each term.

(a) To receive a Scholarship stipend, a Scholar must submit a current transcript and Payment Request Form containing the following:

- (3) A certification by an authorized official of the institution of whether the Scholar is in academic good standing.

(b) At the beginning of each academic year, the Scholar must have his or her institution submit a certified Educational Expense Form containing the following:

- (1) A certification by an authorized official of the institution that the Scholar's statement of costs for tuition, fees, books, room and board and other expenses required for the academic year is accurate; and

(b) If the Foundation grants a postponement, it may impose conditions as it deems appropriate.

§ 1801.54 Annual report.

(a) Scholars with remaining eligibility for scholarship stipends must submit no later than July 15 an annual report to the Foundation.

(b) The annual report should be in narrative form and cover: courses taken and grades earned; courses planned for the coming year if Foundation support will be requested; public service and school activities; part-time or full-time employment and summer employment or internships; and achievements, awards and recognition, publications or significant developments.

(c) Newly selected Scholars are required to submit by the July 15 following their selection an annual report updating the Foundation on their activities and accomplishments since the time they submitted their applications for the Truman Scholarship.

Subpart G—Duration of Scholarship

§ 1801.60 Renewal of scholarship.

It is the intent of the Foundation to provide scholarship awards for a period not to exceed a total of four academic years, only in accordance with the regulations established by its Board of Trustees, and subject to an annual review for compliance with the requirements of this part.

§ 1801.61 Termination of scholarship.

(a) The Foundation may suspend or terminate a scholarship under the following specific conditions:

- (1) Unsatisfactory academic performance for two terms, failure to pursue preparation for a career in public service, or loss of interest in a career in public service;

- (4) Failure to begin use of the graduate portion of the scholarship within four years of the date of receipt of a baccalaureate degree unless granted an extension in writing by the Foundation.

(b) Before it terminates a scholarship, the Foundation will notify the Scholar of the proposed action and will provide an opportunity to be heard with respect to the grounds for termination.

§ 1801.62 Recovery of scholarship funds.

(a) When a Truman Scholarship is terminated for any reason, the Scholar must return to the Foundation any stipend funds which have not yet been spent or which the Scholar may recover.

(b) A Scholar who fails for any reason to complete, as a full-time student, a school term for which he or she has received a Foundation stipend, must return the amount of that stipend to the Foundation.
