

containing business proprietary information, until further notice.¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. An electronically filed hearing request must be received successfully in its entirety via ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon completion of the final results, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If the weighted-average dumping margin for TFM is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹¹ If TFM's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹²

For entries of subject merchandise during the POR produced by TFM for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate (i.e., 6.19 percent)¹³ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁴

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of OBAs from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for TFM will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will be the all-others rate established in the less-than-fair-value investigation for this proceeding, i.e., 6.19 percent.¹⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of

antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

Dated: May 15, 2023.

Antidumping Duty Order on Wooden Bedroom Furniture From the People's Republic of China: Preliminary Results of Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Zhangzhou XMB Home Technology Co., Ltd (Zhangzhou XMB) is the successor-in-interest to Zhangzhou XYM Furniture Product Co., Ltd. (Zhangzhou XYM) for purposes of the antidumping duty (AD) order on wooden bedroom furniture (WBF) from the People's Republic of China (China). Accordingly, subject merchandise exported by Golden Well International (HK), Ltd. (Golden Well) and produced by Zhangzhou XMB should be assigned the same AD cash deposit rate as the AD cash deposit rate established for subject merchandise exported by Golden Well and produced by Zhangzhou XYM.

DATES: Applicable May 19, 2023.

SUPPLEMENTARY INFORMATION:

Background

On October 5, 2022, Golden Well and Zhangzhou XMB notified Commerce that Zhangzhou XYM changed its name to Zhangzhou XMB and requested that Commerce conduct a changed circumstances review (CCR) to determine that Zhangzhou XMB is the successor-in-interest to Zhangzhou XYM.¹ On November 22, 2022, Commerce initiated this CCR² of the AD order on WBF from China.³ We received no comments from interested parties subsequent to initiation.

Scope of the Order

The merchandise covered by the *Order* is WBF. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁴

Legal Framework

In determining whether one company is the successor-in-interest to another company as part of an AD proceeding, Commerce examines several factors including, but not limited to: (1) management and ownership; (2) production facilities; (3) supplier relationships; and (4) customer base.⁵ Although no single, or combination of factors will necessarily provide a dispositive indication of successorship, generally, Commerce will consider one company to be the successor-in-interest to another company if its operations are not materially dissimilar to those of the other company.⁶ Thus, if the totality of

the evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the prior company, Commerce will find the new company to be the successor-in-interest to the prior company.⁷

Preliminary Results of Review

We preliminarily determine that Zhangzhou XMB is the successor-in-interest to Zhangzhou XYM for purposes of the *Order* because Zhangzhou XMB's management and ownership, production facilities, supplier relationships, and customer base are the same, or substantially the same, as those of Zhangzhou XYM. For a complete successor-in-interest analysis, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Should our determination remain unchanged in the final results of this CCR, we will instruct U.S. Customs and Border Protection to require, effective as of the date of publication of the notice of the final results of this CCR in the **Federal Register**, an AD cash deposit of zero percent for subject merchandise exported by Golden Well and produced by Zhangzhou XMB. This is the AD cash deposit rate currently in effect for subject merchandise exported by Golden Well and produced by Zhangzhou XYM.

Public Comment

In accordance with 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs not later than 14 days after the date of publication of this notice in the **Federal Register**. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the due date for case briefs, in accordance with 19 CFR

351.309(d).⁸ Parties who submit case or rebuttal briefs are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁹

All comments must be filed electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) and must be served on interested parties.¹⁰ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹¹ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day on which it is due.

Pursuant to 19 CFR 351.310(c), any interested party may request a hearing within 14 days of publication of this notice in the **Federal Register**. Requests for a hearing should contain: (1) the requesting party's name, address, and telephone number; (2) the number of individuals associated with the requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of the issues the party intends to discuss at the hearing. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and the time of the hearing two days before the scheduled hearing date.

Final Results of Review

Consistent with 19 CFR 351.216(e), we intend to issue the final results of this CCR no later than 270 days after the date on which this review was initiated.

Notification to Interested Parties

The preliminary results of this CCR and this notice are published in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216 and 19 CFR 351.221(b)(4) and (c)(3).

⁸ Commerce is exercising its discretion under 19 CFR 351.309(d)(1) to alter the time limit for the filing of rebuttal briefs.
