Information Collection Request Title: Ryan White HIV/AIDS Program: Expenditures Forms, OMB No. 0915–xxxx—New.

Abstract: HRSA administers the Ryan White HIV/AIDS Program (RWHAP) authorized under Title XXVI of the Public Health Service Act. The RWHAP Allocations and Expenditures Reports (A&E Reports) allow HRSA to monitor and track the use of grant funds for compliance with program and grants policies, and requirements as outlined in the legislation.

A&E Reports: Recipients funded under RWHAP Parts A, B, C, and D are

required to report financial data to HRSA at the beginning (Allocations Report) and at the end (Expenditures Report) of their grant budget period. The A&E Reports request information recipients already collect, including the use of RWHAP grant funds for core medical and support services; and on various program components, such as administration, planning and evaluation, and clinical quality management. RWHAP Parts A and B recipients funded under the Ending the HIV Epidemic in the U.S. (EHE) initiative are also required to report allocations and expenditures of the grant budget period in the EHE A&E Reports. This allows HRSA to track and report progress toward meeting the EHE goals.

The reports are similar in content; however, in the first report, recipients document the allocation of their RWHAP or EHE grant award at the beginning of their grant budget period. In the second report, recipients document actual expenditures of their RWHAP or EHE grant award (including any carryover dollars) at the end of their grant budget period.

HRSA is proposing the following updates to the RWHAP Expenditure Reports.

RWHAP Part A Expenditures Report:

- Revising row and column headers and other language for clarity and alignment with RWHAP requirements;
- Combining the columns for RWHAP Part A Formula and Supplemental Expenditure amounts and updating the title;

- Updating calculations and language in the Legislative Requirements Checklist; and

- Adding a requirement for Financial Officer/Designee to certify subrecipient aggregated administrative expenditures.

RWHAP Part B Expenditures Report:
