SUPPLEMENTARY INFORMATION: As required by the Paperwork Reduction Act of 1995, (Pub. L. 104-13, 44 U.S.C. chapter 35) as amended by the Clinger-Cohen Act (Pub. L. 104-106), OPM is soliciting comments for this collection. The information collection was previously published in the **Federal Register** (82 FR 15243) on March 27, 2017, allowing for a 60-day public comment period. This process was conducted in accordance with 5 CFR 1320.1. No comments were received for

this information collection (OMB No. 3206-0040). The purpose of this notice is to allow an additional 30 days for public comments.

The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

The Occupational Questionnaire is an optical scan form designed to collect applicant information and qualifications in a format suitable for automated processing and to create applicant records for an automated examining system. The 1203 series was commonly referred to as the "Qualifications and Availability Form C." OPM re-titled the series as "Occupational Questionnaire" to fit a more generic need. OPM uses this form to carry out its responsibility for open competitive examining for admission to the competitive service in accordance with Section 3304, Title 5, United States Code. One change has been made to the form under *Section 14, Veterans' Preference*. The addition of *Sole Survivorship Preference* was added to reflect the amended eligibility categories for veterans' preference per Public Law 110-317, the Hubbard Act. Subparagraph (H) established the new category for veterans released or discharged from a period of active duty from the armed forces, after August 29, 2008, by reason of a "sole survivorship discharge."

Extension:

Rule 506(e) of Regulation D Felons and Other Bad Actors Disclosure Statement.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget the following request for an extension of the previously approved collection of information discussed below.

Regulation 506(e) of Regulation D (17 CFR 230.506(e)) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires the issuer to furnish to each purchaser, a reasonable time prior to sale, a description in writing of any matters that would have triggered disqualification under Rule 506(d)(1) of Regulation D, but occurred before September 23, 2013. The disclosure required by Rule 506(e) is not filed with the Commission, but serves as an important investor protection tool to inform investors of an issuer's and its covered persons, involvement in past "bad actor" disqualifying events such as pre-existing criminal convictions, court injunctions, disciplinary proceedings, and other sanctions enumerated in Rule 506(d). Without the mandatory written statement requirements set forth in Rule 506(e), purchasers may have the impression that all bad actors are disqualified from participation in Rule 506 offerings.

We estimate there are 19,908 respondents that will conduct a one-hour factual inquiry to determine whether the issuer and its covered persons have had pre-existing
