SUPPLEMENTARY INFORMATION:

Background

ETA plans to request clearance for the collection of data via a Supplemental Survey of Unemployment Insurance Non-Filers to be conducted in conjunction with the January 2005, May 2005, July 2005, and November 2005 Current Population Survey (CPS). Through an interagency agreement between ETA and the Census Bureau, the Census Bureau will administer the supplement with the CPS. Title 13, United States Code, Section 182, and Title 29, United States Code, Sections 1-9, authorize the collection of survey data by the Census Bureau. The Supplemental Survey of Unemployment Insurance Non-Filers is sponsored by ETA. This supplement is being conducted under the authority of Sections 171(c), 172(b), 189(c), 189(e) [29 U.S.C. 2916(c)(2), 2917(b) and 2939(c) & (e)] of the Workforce Investment Act of 1998.

ETA collaborated with the Census Bureau and the Bureau of Labor Statistics on two earlier UI non-filer supplements conducted with the CPS: The first supplement was conducted in late 1989 and early 1990 (OMB Number 1220-0122 Expired March 31, 1990), and the second was conducted in 1993 (OMB Number 1220-0122 Expired January 31, 1994). This supplement will update ETA's knowledge about how often and why unemployed individuals choose not to apply for unemployment benefits. Analysis from the survey data will be used by the Department of Labor to help improve the UI system.

Desired Focus of Comments

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed ICR can be obtained by contacting the office listed above in the addressee section of this notice.

Current Actions

The UI information will be collected by both personal visit and telephone interviews in conjunction with the regular CPS interviewing during January, May, July, and November 2005. All interviews are conducted using computer-assisted interviewing. Respondents are informed that this is a voluntary survey.
