

maintained before TPS (unless that status had since expired or been terminated) or to any other status they may have acquired while registered for TPS. Accordingly, if an alien had no lawful immigration status prior to receiving TPS and did not obtain any status during the TPS period, he or she will revert to that unlawful status upon termination of the TPS designation.

Notice of Automatic Extension of the Designation of Sierra Leone Under the TPS Program

Pursuant to section 244(b)(3)(C) of the Act, I order as follows:

(1) The designation of Sierra Leone for TPS under section 244(b) of the Act is extended for a period of 12 months, from November 2, 2002 through November 2, 2003.

(2) I estimate that there are approximately 2,209 nationals of Sierra Leone (and aliens having no nationality who last habitually resided in Sierra Leone) who currently receive TPS benefits and who are eligible to re-register for benefits under this extension.

(3) To maintain TPS, a national of Sierra Leone (or an alien having no nationality who last habitually resided in Sierra Leone) who previously has applied for or received TPS benefits must re-register for TPS during the 60-day re-registration period from October 31, 2002 until December 30, 2002.

(4) To re-register, the applicant must file the following: (1) Form I-821, Application for Temporary Protected Status; (2) Form I-765, Application for Employment Authorization; and (3) two identification photographs (1½ inches by 1½ inches). There is no fee for a Form I-821 filed as part of the re-registration application. If the applicant requests employment authorization documentation, he or she must submit one hundred and twenty dollars (\$120) or a properly documented fee waiver request, pursuant to 8 CFR 244.20, with the Form I-765. An applicant who does not request employment authorization documentation must nonetheless file Form I-765 along with Form I-821, but is not required to submit the fee. The fifty-dollar (\$50) fingerprint fee is required only for children beneficiaries of TPS who have reached the age of 14 but were not previously fingerprinted. Failure to re-register without good cause will result in the withdrawal of TPS. 8 CFR 244.17(c). Some persons who had not previously applied for TPS may be eligible for late initial registration under 8 CFR 244.2.

(5) At least 60 days before this extension terminates on November 2, 2003, the Attorney General will review

conditions in Sierra Leone and determine whether the conditions for TPS designation continue to be met. Notice of that determination, including the basis for the determination, will be published in the **Federal Register**. 8 U.S.C. 1254a(b)(3).

(6) Information concerning the extension of the TPS program for Sierra Leone will be available at local Service offices upon publication of this notice and through the Immigration and Naturalization Service National Customer Service Center at 1-800-375-5283. This information will also be published on the INS web site at <http://www.ins.usdoj.gov>.

Dated: October 28, 2002.

John Ashcroft,

Attorney General.
