SUPPLEMENTARY INFORMATION: *Discussion of Notice.* These Special Local Regulations permit Coast Guard control of vessel traffic in order to ensure the safety of spectator and participant vessels. In accordance with the regulations in 33 CFR 100.1101, no persons or vessels shall block, anchor, or loiter in the regulated area; nor shall any person or vessel transit through the regulated area, or otherwise impede the transit of participant or official patrol vessels in the regulated area, unless cleared for such entry by or through an official patrol vessel acting on behalf of the Patrol Commander. The regulated area is located on Mission Bay in that portion bounded by Enchanted Cove, Fiesta Island, Pacific Passage, and DeANza Point. Pursuant to 33 CFR 100.1101(b)(3), Commanding Officer, Coast Guard Activities San Diego is designated the Patrol Commander for this event. He has authority to delegate this responsibility to any commissioned, warrant, or petty officer of the Coast Guard.

Good Cause Statement. Good cause exists for publishing this Notice of Implementation less than 30 days before the event because there is an immediate need to protect the crew boat racers from any motorized boats in the vicinity. This need was balanced against the principle that all affected persons should be afforded a reasonable time to prepare for the effective date of the rule. Because general notice of this rule is published in the Code of Federal Regulations and the general notice is being followed by this Notice of Implementation, affected persons will have received adequate notice that this rule would come into effect.

Dated: March 19, 2002.

Captain, U.S. Coast Guard, Commander, Eleventh Coast Guard District, Acting.

Drawbridge Operation Regulations: New Rochelle Harbor, NY

AGENCY: Coast Guard, DOT.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations for the Glen Island Bridge, mile 0.8, across New Rochelle Harbor at New Rochelle, New York. This temporary deviation will allow the bridge to remain closed to navigation from 11 p.m. to 7 a.m., Sunday through Friday, from April 29, 2002 through June 26, 2002. This temporary deviation is necessary to facilitate repairs at the bridge.

DATES: This deviation is effective from April 29, 2002 through June 26, 2002.

FOR FURTHER INFORMATION CONTACT: Joseph Schmied, Project Officer, First Coast Guard District, at (212) 668-7195.

SUPPLEMENTARY INFORMATION: The bridge owner, Westchester County Department of Public Works, requested a temporary deviation from the drawbridge operating regulations to facilitate necessary maintenance, replacement of deteriorated concrete and structural supports, at the bridge. The performance of these repairs require the bridge to remain in the closed position.

The Coast Guard and the owner of the bridge coordinated this closure with the mariners that normally use this waterway to help facilitate this necessary bridge repair and to minimize any disruption to the marine transportation system. Therefore, as a result of that coordination effort, a temporary deviation from the drawbridge operation regulations has been approved. Under this temporary deviation the Glen Island Bridge will not open for vessel traffic from 11 p.m. to 7 a.m., Sunday through Friday, from April 29, 2002 through June 26, 2002.

This deviation from the operating regulations is authorized under 33 CFR 117.35, and will be performed with all due speed in order to return the bridge to normal operation as soon as possible.

Dated: March 21, 2002.
