SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this temporary rule. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. It would be contrary to the public interest to delay implementing this temporary rule, as any delay might result in damage or injury to the public, vessels, and facilities in the area of Molokini Crater. For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**.

Although the Coast Guard has good cause to issue this temporary rule without first publishing a proposed rule, you are invited to submit post-promulgation comments and related material regarding this rule through February 8, 2008. All comments will be reviewed as they are received. Your comments will assist us in drafting future rules should they be necessary, and may cause us to change this temporary final rule before it expires.

All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided. We have an agreement with the Department of Transportation (DOT) for their Docket Management Facility to process online submissions to Coast Guard dockets.
