Multimodal Transportation Plan/ Environmental Impact Statement, Arches National Park, UT

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of Intent to prepare an environmental impact statement for a Multimodal Transportation Plan, Arches National Park.

SUMMARY: Under the provisions of the National Environmental Policy Act, the National Park Service is preparing an environmental impact statement for a Multimodal Transportation Plan for Arches National Park. The environmental impact statement will be approved by the Director, Intermountain Region.

The Multimodal Transportation Plan will serve as a management and decision making tool for developing short and long-term solutions to problems associated with transportation in and around Arches National Park. The primary objectives of the plan include (1) establishing regional partnerships between the park and its gateway communities to reduce traffic impacts in both the park and surrounding communities, minimize duplication of services and facilities, and provide links to regional pathways to improve recreational opportunities in the park; (2) increasing the range of travel mode choices within the park, other than via private automobile, available to visitors, residents and employees of all ages and physical abilities; (3) provisions for safe travel throughout the park by all modes; and (4) protecting the park's natural and cultural resources from impacts attributable to vehicles and visitor use, including inappropriate parking along
