No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The Office of Intramural Research (OIR), Office of the Director, National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

Proposed Collection: Special Volunteer and Guest Researcher Assignment form—REVISION OMB # 0925-0177, exp., date April 30, 2024, Office of Intramural Research (OIR), Office of the Director (OD), National Institutes of Health (NIH).

Need and Use of Information Collection: Form Number: NIH-590 is a single form completed by an NIH official for each Guest Researcher or Special Volunteer prior to his/her arrival at NIH. The information on the form is necessary for the Special Volunteer to acknowledge and agree to the conditions and responsibilities of their volunteer services at NIH via the Special Volunteer Agreement as the legal instrument. The DHHS Office of General Counsel, in consultation with the Department of Justice, now requires that revisions be made to items 7 and 8 of the Special Volunteer Agreement, NIH Form 590-2. Special Volunteers and Guest Researchers both fill the main collection instrument, NIH Form 590; and Guest Researchers fill a separate Guest Researcher Agreement, NIH Form 590-1. No revisions are proposed for these other forms currently. Form NIH-590 is a single form completed by an NIH official for each Special Volunteer or Guest Researcher prior to her/his arrival at NIH. The information on the form is necessary for the approving official to reach a decision on whether to allow a Guest researcher to use NIH facilities, or whether to accept volunteer services offered by a Special Volunteer. If the original assignment is extended, another form notating the extension is completed to update the file. In addition, each Special Volunteer and

Guest Researcher reads and signs an NIH Agreement.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total

estimated annualized burden hours are 652.
