

amount equal to not less than 10 percent of the grant awarded.

Cost share of non-Federal cash is the only allowable recipient contribution for AFG-S 2 activity. On a case-by-case basis, FEMA may allow recipients already owning assets acquired with non-Federal cash, to use the trade-in allowance/credit value of those assets as cash for the purpose of meeting the cost-share obligation.

For FEMA to consider a trade-in allowance/credit value as cash, the allowance amount must be reasonable, and the allowance amount must be a separate entity clearly identified in the acquisition documents.

In-kind cost share is not allowable for AFG-S 2.

In cases of demonstrated economic hardship, and at the request of the grant recipient, the Administrator of FEMA may waive or reduce certain recipients' AFG-S 2 cost-share requirement or maintenance of expenditure requirement. FY 2020 AFG-S 2 applicants must indicate at the time of application whether they are requesting a waiver and whether the waiver is for the cost-share requirement, maintenance of effort requirement, or both. The FEMA Administrator is required by statute to establish guidelines for determining what constitutes economic hardship. FEMA has published these guidelines at https://www.fema.gov/media-library-data/1518026897046-483d76a37022b8a581ffb7d42fa9b17e/Eco_Hardship_Waiver_FPS_SAFER_AFG_IB_FINAL.pdf.

Before the start of the FY 2020 AFG-S 2 application period, FEMA conducted applicant workshops/internet webinars to inform potential applicants AFG-S 2. In addition, FEMA provided applicants with information at the AFG website: <https://www.fema.gov/welcome-assistance-firefighters-grant-program> to help them prepare quality grant applications. The AFG Help Desk is staffed throughout the application period to assist applicants with the automated application process as well as assistance with any questions.

Applicants can reach the AFG Help Desk through a toll-free telephone number during normal business hours (1-866-274-0960) or electronic mail (firegrants@fema.dhs.gov).

Application Process

Organizations may submit one application per application period in each of the three AFG program activities (e.g., one application for Operations and Safety, and/or a separate application to be a Joint/Regional Project host). If an organization submits more than one application for any single AFG program

activity (e.g., two applications for Operations and Safety, two for Joint/Regional Project, etc.), either intentionally or unintentionally, both applications may be disqualified.

Applicants can access the grant application electronically at <https://portal.fema.gov>. The application is also accessible from the U.S. Fire Administration's website <http://www.usfa.fema.gov> and <http://www.grants.gov>. New applicants must register and establish a username and password for secure access to the grant application. Previous AFG grant applicants must use their previously established username and passwords.

Applicants must answer questions about their grant request that reflect the AFG-S 2 funding priorities described above. In addition, each applicant must complete a separate narrative for each project or grant activity requested. Grant applicants will also provide relevant information about their organization's characteristics, call volume, and existing organizational capabilities.

System for Award Management (SAM)

Per 2 CFR part 25, all Federal grant applicants and recipients must register in <https://SAM.gov>. SAM is the Federal Government's System for Awards Management, and registration is free of charge. Applicants must maintain current information in SAM that is consistent with the data provided in their AFG-S 2 grant application and in the Dun & Bradstreet (DUNS) database. FEMA may not accept any application, process any awards, and consider any payment or amendment requests, unless the applicant or grant recipient has complied with the requirements to provide a valid DUNS number and an active SAM registration. The grant applicant's banking information, EIN, organization/entity name, address, and DUNS number must match the same information provided in SAM. Further guidance is provided in the FY 2020 AFG-S 2 NOFO.
