July 28, 2006.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *OIRA_Submission@omb.eop.gov* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Animal & Plant Health Inspection Service

Title: Importation of Poultry Products.
OMB Control Number: 0579-0141.

Summary of Collection: The Animal & Plant Health Inspection Service (APHIS) is authorized, among other things, to prohibit the importation and interstate movement of animals and animal products to prevent the introduction into and dissemination within the United States of animal diseases and pests. The regulations under which disease prevention activities are contained are in Title 9, Chapter 1, Subchapter D, and Parts 91 through 99 of the Code of Federal Regulations. The purpose of these regulations is to allow poultry meat that originates in the United States to be shipped, for processing purposes, to a region where exotic Newcastle disease exists, and then returned to the United States. The process entails the use of four information collection activities in the form of a certificate of origin, serial numbers, records that must be maintained, and cooperative service agreements that must be signed.

Need and Use of the Information: APHIS will collect information to ensure that imported poultry carcasses pose a negligible risk of introducing END into the United States.

Description of Respondents: Business or other for-profit.

Number of Respondents: 4.

Frequency of Responses:

Recordkeeping; Reporting: On occasion.

Total Burden Hours: 30.
