Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 16, 2000.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management

Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: August 11, 2000.

[Docket No. RP00-437-000]

Cove Point LNG Limited Partnership; Notice of Tariff Filing

August 11, 2000.

Take notice that Cove Point LNG Limited Partnership (Cove Point) tendered for filing on August 7, 2000 certain revised tariff sheets to its FERC Gas Tariff, First Revised Volume No. 1. The proposed effective date of such tariff sheets is March 27, 2000. Cove Point also tendered for filing on August 7, 2000 certain revised tariff sheets to its FERC Gas Tariff, Second Revised Volume No. 1. The proposed effective date of such tariff sheets is June 14, 2000.

Cove Point states that the purpose of this filing is to comply with the Commission's Regulation of Short-Term Natural Gas Transportation Services and Regulation of Interstate Natural Gas Transportation Services in Docket Nos. RM98-10-000 and RM98-12-000 (Order No. 637). Among other things, the Commission in Order No. 637 revised its regulations regarding releases of capacity for less than one year (short-term releases). The Commission waived the rate ceiling for short-term releases until September 30, 2002, and clarified its posting and bidding requirements for short-term releases.

The changes to the capacity release regulations became effective on March 26, 2000, however the Commission allowed pipelines to remove inconsistent tariff provisions within 180 days of the issuance of Order No. 637. In compliance, Cove Point is making the following revisions to its tariff sheets. First, Section 4 of Rate Schedules FPS-1, FPS-2, FPS-3, and FTS-1 is being changed to state that the maximum rate ceiling does not apply to short-term releases until September 30, 2002. Second, Section 4 of the aforementioned rate schedules and Section 10 of the General Terms and Conditions are being modified to state that the rates for short-term releases in this time frame are not subject to refund. Third, Section 10 of the General Terms and Conditions is being changed to reflect the Commission's modifications to the posting and bidding requirements for short-term releases of capacity and to incorporate the waiver of the maximum rate ceiling as described above.

Cove Point states that copies of the instant filing are being mailed to customers, State Commissions, and other interested parties. In accordance
