RIN 0694-AF74

Addition of Certain Persons to the Entity List; Removal of Person From the Entity List Based on Removal Request; and Implementation of Entity List Annual Review Changes

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: This rule amends the Export Administration Regulations (EAR) by adding six persons under eight entries to the Entity List. The persons who are added to the Entity List have been determined by the U.S. Government to be acting contrary to the national security or foreign policy interests of the United States. These persons will be listed on the Entity List under Iran and the United Arab Emirates (U.A.E.).

In addition, this rule removes one person from the Entity List, as the result of a request for removal submitted by the person, a review of information provided in the removal request in accordance with the EAR, and further review conducted by the End-User Review Committee (ERC).

Lastly, this rule amends the Entity List on the basis of the annual review conducted by the ERC. The ERC conducts annual reviews to determine if any entries on the Entity List should be removed or modified. This rule reflects the results of the annual review of entities located in Belarus, Canada, the People's Republic of China (China), Egypt, Germany, Hong Kong, Ireland, Israel, Kuwait, Lebanon, Malaysia, Pakistan, Singapore, South Africa, Taiwan, and the United Kingdom. On the basis of the annual review, this rule removes fourteen entries, adds three entries, and amends thirty-six other entries. The Entity List provides notice to the public that certain exports, reexports, and transfers (in-country) to entities identified on the Entity List require a license from the Bureau of Industry and Security (BIS) and that

availability of license exceptions in such transactions is limited.

DATES: *Effective Date:* This rule is effective September 19, 2012.

SUPPLEMENTARY INFORMATION:

Background

The Entity List (Supplement No. 4 to Part 744) provides notice to the public that certain exports, reexports, and transfers (in-country) to entities identified on the Entity List require a license from BIS and that the availability of license exceptions in such transactions is limited. Entities are placed on the Entity List on the basis of certain sections of part 744 (Control Policy: End-User and End-Use Based) of the EAR.

The ERC, composed of representatives of the Departments of Commerce (Chair), State, Defense, Energy and, when appropriate, the Treasury, makes all decisions regarding additions to, removals from, or other modifications to the Entity List. The ERC makes all decisions to add an entry to the Entity List by majority vote and all decisions to remove or modify an entry by unanimous vote.

ERC Entity List decisions

Additions to the Entity List

This rule implements the decision of the ERC to add six persons under eight entries to the Entity List on the basis of Section 744.11 (license requirements that apply to entities acting contrary to the national security or foreign policy interests of the United States) of the EAR. The eight entries, two of which are alternate addresses of two of the persons being added to the Entity List, consist of two entries in Iran and six entries in the U.A.E.

The ERC reviewed Section 744.11(b) (Criteria for revising the Entity List) in making the determination to add these persons to the Entity List. Under that paragraph, persons for which there is reasonable cause to believe, based on specific and articulable facts, that the persons have been involved, are involved, or pose a significant risk of being or becoming involved in activities that are contrary to the national security or foreign policy interests of the United States and those acting on behalf of such persons may be added to the Entity List pursuant to Section 744.11. Paragraphs

(b)(1)–(b)(5) of Section 744.11 include an illustrative list of activities that could be contrary to the national security or foreign policy interests of the United States.

The six persons being added to the Entity List under this rule have been determined by the ERC to be involved in activities that are contrary to the national security or foreign policy interests of the United States. Two of the persons being added to the Entity List under this rule, Seyed Mahdi Mousavi (“Mousavi”) and his company, Seyed Mousavi Trading, are located in the U.A.E. and in Iran. BIS’s investigation of Mousavi and his company, Seyed Mousavi Trading, indicates that he, individually, and by and through his company, knowingly acquired U.S.-origin items for transshipment to Iran through the U.A.E. and Hong Kong. Further, the investigation indicates that the shipments to Iran included shipments to a person on the Denied Persons List (see section 764.3(a)(2) of the EAR). Therefore, pursuant to Section 744.11(b)(5) of the EAR, the ERC determined that Mousavi and Seyed Mousavi Trading are knowingly and willfully engaging in the transshipment of U.S.-origin equipment subject to the EAR, without the required Department of Commerce or Department of the Treasury, Office of Foreign Assets Control (OFAC) export licenses, for use in Iran in violation of the embargo against Iran as specified in the Iranian Transactions Regulations (31 CFR Part 560). Iran has been designated by the Secretary of State as a country that has repeatedly provided support for acts of international terrorism. In addition, pursuant to paragraph (b) of Supplement No. 1 to Part 764 of the EAR, no person may, directly or indirectly, export or reexport any item subject to the EAR to or on behalf of a denied person.

The other four persons being added to the Entity List under this rule, Fajr Almadeena Electronics (FAE) and its owners, Alex Nouri Zadeh, Mohammad Nayeb, and Jamal Hasan are all located in the U.A.E. BIS’s investigation indicates that FAE was listed as a recipient of hundreds of U.S.-origin items. Although FAE claims that the items it receives remain in the U.A.E. and that it is the end-user of record, FAE principals have not been able to provide information on the items’ current location or end-use. Moreover, BIS’s investigation indicates that FAE’s office space is inappropriate for end-use in situ of the items shipped. Therefore, pursuant to Section 744.11(b)(4) and (b)(5) of the EAR, the ERC determined

that FAE, Alex Nouri Zadeh, Mohammad Nayeab, and Jamal Hasan are unreliable recipients of U.S.-origin items and may be diverting such items through the U.A.E. to Iran, without the required Department of Commerce or OFAC export licenses, for use in Iran in violation of the embargo against Iran as specified in the Iranian Transactions Regulations (31 CFR Part 560). As noted above, Iran has been designated by the Secretary of State as a country that has repeatedly provided support for acts of international terrorism.

For all eight entries for the six persons being added to the Entity List, the ERC specified a license requirement for all items subject to the EAR and established a license application review policy of a presumption of denial. The license requirement applies to any transaction in which items are to be exported, reexported, or transferred (in-country) to such persons or in which such persons act as purchaser, intermediate consignee, ultimate consignee, or end-user. In addition, no license exceptions are available for exports, reexports, or transfers (in-country) to those persons being added to the Entity List.

This final rule adds the following six persons under eight entries to the Entity List:

Iran

(1) *Seyed Mahdi Mousavi*, BLK 6, No. 12 Beside Gilan Street, Rodstar Street, Under Hafez Bridge, Tehran, Iran; and No. 10–6th Floor Iranian Trade Center, Valiasr Square, Tehran, Iran (See alternate addresses under U.A.E.); and

Removal From the Entity List

This rule implements a decision of the ERC to remove one person, Raaziq International (Pvt.) Ltd., located in Pakistan, from the Entity List as a result of the person's request for removal from the Entity List. Based upon the review of the information provided in the removal request in accordance with section 744.16 (Procedure for requesting removal or modification of an Entity List entity), and after review by the ERC's member agencies, the ERC determined that this person should be removed from the Entity List.

The ERC decision to remove this person took into account this person's cooperation with the U.S. Government, as well as this person's assurances of future compliance with the EAR. In accordance with section 744.16(c), the Deputy Assistant Secretary for Export Administration has sent written notification to this person, informing this entity of the ERC's decision to remove it from the Entity List. This final rule implements the decision to remove the following person located in Pakistan from the Entity List:

Pakistan

(1) *Raaziq International (Pvt.) Ltd.*, House Number 32, F–2, Khushal Khan Khattak Road, University Town, Peshawar, Pakistan.

Annual Review of the Entity List

This rule also amends the Entity List on the basis of the annual review of the Entity List conducted by the ERC, in accordance with the procedures outlined in Supplement No. 5 to part 744 (Procedures for End-User Review Committee Entity List Decisions). The changes from the annual review of the Entity List that are approved by the ERC

are implemented in stages as the ERC completes its review of entities listed under different destinations on the Entity List. This rule implements the results of the annual review for entities located in Belarus, China, Egypt, Hong Kong, Kuwait, Malaysia, Pakistan, Singapore and South Africa. The entities located in Canada, Germany, Ireland, Israel, Lebanon, Taiwan, and the United Kingdom were also reviewed by the ERC, but no additional changes are being made to those entries as a result of the annual review of the Entity List.

1. Removals From the Entity List on the Basis of Annual Reviews

This rule removes fourteen entries from the Entity List on the basis of the annual review of the Entity List. The persons removed were determined to no longer meet the criteria for inclusion on the Entity List. Specifically, this rule implements the decision of the ERC to remove one person located in China, three persons located in Egypt, eight persons located in Hong Kong, and two persons located in Kuwait, as follows:

China

(1) *Tracy Little*, Room 1104, North Tower Yuezi City Plaza, No. 445 Dong Feng Zhong Rd., Guangzhou, China.

Egypt

(1) *H Logic*, Behind 14 Mahmoud Sedky St., El Ekbal, Alexandria, Egypt; and 11 Abd El-Hamid Shoman St., Nasser City, Cairo;

(2) *Hesham Yehia*, Behind 14 Mahmoud Sedky St., El Ekbal, Alexandria, Egypt; and

(3) *Najeeb Al Awadhi*, 14 Mahmoud Sedky St., El Ekbal, Alexandria, Egypt.

Hong Kong

(1) *Amy So*, Room 1701, New Commerce Centre, 19 On Sum St., Siu Lek Yuen, Shatin, N.T., Hong Kong;

(2) *Frank Lam*, 1206–7, 12/F New Victory House, Hong Kong;

(3) *Gary Chan*, 4/F, Chinabest International Centre, 8 Kwai On Rd., Kwai Chung, N.T., Hong Kong;

(4) *Green Channel Electronics Company*, Unit 902, Ricky Center, 36 Chong Yip St., Kwun Tong, Kowloon, Hong Kong;

(5) *Techlink Electronics*, Unit 5, 18/F, Laurels Industrial Centre, 32 Tai Yau St., San Po Kong, Kowloon, Hong Kong;

(6) *TLG Electronics*, Room 1701, New Commerce Centre, 19 On Sum St., Siu Lek Yuen, Shatin, N.T., Hong Kong;

(7) *Unite Chance Technology Company*, Workshop A14, 5/F, Block A Sheung Shui Plaza, 3 Ka Fu Close Sheung Shui, N.T., Hong Kong; and

(8) *Wing Shing Computer Components Company (H.K.) Ltd.*, Unit E, 9/F, Lladro Centre, 72 Hoi Yuen Rd., Kwon Tong, Kin, Hong Kong.

Kuwait

(1) *Advanced Technology General Trading Company*, Hawalli, Bin Khaldoun St., Fadhalah Complex, Mizzanin, Office #4, P.O. Box 22682, Safat, 13087, Kuwait. (See alternate address under U.A.E.); *and*

(2) *Abubakr Abuelazm*, Hawalli, Bin Khaldoun St., Fadhalah Complex, Mizzanin, Office #4, P.O. Box 22682, Safat, 13087, Kuwait (See alternate address under U.A.E.).

The two entities removed from Kuwait are also listed in the U.A.E.; BIS is not removing the two U.A.E. listings from the Entity List at this time. The ERC will evaluate those entries as part of the annual review of the entities located in the U.A.E. The removal of the above-referenced fourteen entities on the basis of annual review of the Entity List, and the removal of the one entity referenced above on the basis of a Section 744.16 removal request that was approved by the ERC, eliminates the existing license requirements in Supplement No. 4 to part 744 for exports, reexports and transfers (in-country) to these fifteen entities. However, the removal of these fifteen entities from the Entity List does not relieve persons of other obligations under part 744 of the EAR or under other parts of the EAR. Neither the removal of an entity from the Entity List nor the removal of Entity List-based license requirements relieves persons of their obligations under General Prohibition 5 in section 736.2(b)(5) of the EAR which provides that, "you may not, without a license, knowingly export or reexport any item subject to the EAR to an end-user or end-use that is prohibited by part 744 of the EAR." Additionally these removals do not relieve persons of their obligation to apply for export, reexport or in-country transfer licenses required by other provisions of the EAR. BIS strongly urges the use of Supplement No. 3 to part 732 of the EAR, "BIS's 'Know Your Customer' Guidance and Red Flags," when persons are involved in transactions that are subject to the EAR.

2. Modifications to the Entity List on the Basis of the Annual Review

On the basis of decisions made by the ERC during the annual review, in addition to the removals described above, this rule amends thirty-six entries currently on the Entity List. The amended entries consist of three entries under Belarus, twelve entries under

China, three entries under Malaysia, twelve entries under Pakistan, one entry under Singapore, and five entries under South Africa. 3. Additions to the Entity List

On the basis of decisions made by the ERC during the annual review of the Entity List, in addition to the removals and modifications described above, this rule adds two separate entries under China for two entities formerly listed on the Entity List under China as aliases of the Chinese Academy of Engineering Physics: Sichuan University and University of Electronic Science and Technology of China. Also on the basis of decisions made by the ERC during the annual review of the Entity List, this rule adds one entry under Uganda, UCB Arcade, as an alternate address for Allied Trading Co., an entity listed on the Entity List under Pakistan, therefore creating a new country listing on the Entity List. The ERC determined that the licensing requirements and licensing review policies for all three of these entries should mirror those in entries in which they were previously located. Therefore, for the entries for Sichuan University and University of Electronic Science and Technology of China, the specified license requirement is all items subject to the EAR and the established license review policy is case-by-case basis. For UCB Arcade, the specified license requirement is all items subject to the EAR and the established license review policy is presumption of denial. The three additions to the Entity List as a result of the annual review are as follows:

China

(1) *Sichuan University*, No. 24 South Section 1, Yihuan Road, Chengdu, China, 610065; and No. 29 Jiuyanqiao Wangjiang Road, Chengdu, China, 610064; and People's South Road, Chengdu, China, 610041; and Shuangliu County, Chuanda Road, Chengdu, China, 610207; and

(2) *University of Electronic Science and Technology of China*, No. 4, 2nd Section, North Jianshe Road, Chengdu, 610054.

Uganda

(1) *UCB Arcade*, a.k.a., the following alias:

Savings Clause

Shipments of items removed from eligibility for a License Exception or export or reexport without a license (NLR) as a result of this regulatory action that were en route aboard a carrier to a port of export or reexport, on [INSERT DATE OF PUBLICATION], pursuant to actual orders for export or reexport to a foreign destination, may proceed to that destination under the previous eligibility for a License Exception or export or reexport without a license (NLR).

Although the Export Administration Act expired on August 20, 2001, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as extended by the Notice of August 15, 2012, 77 FR 49699 (August 16, 2012), has continued the Export Administration Regulations in effect under the International Emergency Economic Powers Act. BIS continues to carry out the provisions of the Export Administration Act, as appropriate and to the extent permitted by law, pursuant to Executive Order 13222.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been determined to be not

significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to nor be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by the OMB under control numbers 0694–0088, “Multi-Purpose Application,” which carries a burden hour estimate of 43.8 minutes for a manual or electronic submission. Total burden hours associated with the PRA and OMB control number 0694–0088 are not expected to increase as a result of this rule. You may send comments regarding the collection of information associated with this rule, including suggestions for reducing the burden, to Jasmeet K. Seehra, Office of Management and Budget (OMB), by email to Jasmeet.K.Seehra@omb.eop.gov, or by fax to (202) 395–7285.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public comment and a delay in effective date are inapplicable because this regulation involves a military or foreign affairs function of the United States. (See 5 U.S.C. § 553(a)(1)). BIS implements this rule to protect U.S. national security or foreign policy interests by preventing items from being exported, reexported, or transferred (in country) to the persons being added to the Entity List. If this rule were delayed to allow for notice and comment and a delay in effective date, then entities being added to the Entity List by this action would continue to be able to receive items without a license and to conduct activities contrary to the national security or foreign policy interests of the United States. In addition, because these parties may receive notice of the U.S. Government's intention to place these entities on the Entity List once a final rule was published it would create an incentive for these persons to either accelerate receiving items subject to the EAR to conduct activities that are contrary to the national security or foreign policy interests of the United States and/or to take steps to set up additional aliases, change addresses,

and take other steps to try to limit the impact of the listing on the Entity List once a final rule was published. Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are not applicable.

RIN 1515–AD91

Extension of Import Restrictions Imposed on Archaeological Material From Mali

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

ACTION: Final rule.

SUMMARY: This final rule amends the U.S. Customs and Border Protection (CBP) regulations to reflect the extension of import restrictions on certain archaeological material from Mali. The restrictions, which were previously imposed by Treasury Decision (T.D.) 97–80, extended by T.D. 02–55, and last extended and amended by CBP Dec. 07–77, are due to expire on September 19, 2012, unless extended.

The Assistant Secretary for Educational and Cultural Affairs, United States Department of State, has determined that conditions continue to warrant the imposition of import restrictions. Accordingly, the restrictions will remain in effect for an additional five years, and the CBP regulations are being amended to indicate this further extension. These restrictions are being extended pursuant to determinations of the United States Department of State under the terms of the Convention on Cultural Property Implementation Act in accordance with the United Nations Educational, Scientific and Cultural Organization (UNESCO) 1970 Convention on the Means of Prohibiting and Preventing the Illicit Import, Export and Transfer of Ownership of Cultural Property. CBP Dec. 07–77 contains the Designated List of archaeological materials that describes the articles to which the restrictions apply.

DATES: *Effective Date:* September 19, 2012.

SUPPLEMENTARY INFORMATION:**Background**

Pursuant to the provisions of the 1970 UNESCO Convention, codified into U.S. law as the Convention on Cultural Property Implementation Act (hereafter, the “Cultural Property Implementation Act” or the “Act”) (Pub. L. 97–446, 19 U.S.C. 2601 *et seq.*), signatory nations (State Parties) may enter into bilateral or multilateral agreements to impose import restrictions on eligible archaeological and ethnological materials under procedures and requirements prescribed by the Act. Under the Act and applicable CBP regulations (19 CFR 12.104g), the restrictions are effective for no more than five years beginning on the date on which the agreement enters into force with respect to the United States (19 U.S.C. 2602(b)). This period may be extended for additional periods, each such period not to exceed five years, where it is determined that the factors justifying the initial agreement still pertain and no cause for suspension of the agreement exists (19 U.S.C. 2602(e); 19 CFR 12.104g(a)).

In certain limited circumstances, the Cultural Property Implementation Act authorizes the imposition of restrictions on an emergency basis (19 U.S.C. 2603(c)(1)). Under the Act and applicable CBP regulations (19 CFR 12.104g(b)), emergency restrictions are effective for no more than five years from the date of the State Party’s request and may be extended for three years where it is determined that the emergency condition continues to apply with respect to the covered materials (19 U.S.C. 2603(c)(3)).

On September 23, 1993, under the authority of the Cultural Property Implementation Act, the former U.S. Customs Service published Treasury Decision (T.D.) 93–74 in the **Federal Register** (58 FR 49428) imposing emergency import restrictions on archaeological objects from the region of the Niger River Valley of Mali and the Bandiagara Escarpment (Cliff), Mali and accordingly amending 19 CFR 12.104g(b).

On September 19, 1997, the United States entered into a bilateral agreement with Mali that continued without interruption the import restrictions previously placed on the same archaeological material. On September 23, 1997, the former United States Customs Service published T.D. 97–80 in the **Federal Register** (62 FR 49594), which amended 19 CFR 12.104g(a) to

reflect the imposition of these restrictions, and included a list designating the types of archaeological material covered by the restrictions.

Import restrictions listed in 19 CFR 12.104g(a) are “effective for no more than five years beginning on the date on which the agreement enters into force with respect to the United States. This period can be extended for additional periods not to exceed five years if it is determined that the factors which justified the initial agreement still pertain and no cause for suspension of the agreement exists” (19 CFR 12.104g(a)).

On September 20, 2002, the former United States Customs Service published T.D. 02–55 in the **Federal Register** (67 FR 59159), which amended 19 CFR 12.104g(a) to reflect the extension of these import restrictions for an additional period of five years until September 19, 2007.

On September 19, 2007, CBP published CBP Dec. 07–77 in the **Federal Register** (72 FR 53414), which amended 19 CFR 12.104g(a) to reflect the extension of the import restrictions on this cultural property and the addition of new subcategories of objects representing a broader time frame in the amended Designated List for an additional period of five years until September 19, 2012. Accordingly, the title of the bilateral agreement was amended at this time to read: “Agreement between the Government of the United States of America and the Government of the Republic of Mali Concerning the Imposition of Import Restrictions on Archaeological Material from Mali from the Paleolithic Era (Stone Age) to Approximately the Mid-Eighteenth Century.”

On March 12, 2012, the Department of State proposed in the **Federal Register** (77 FR 14583) to extend the Agreement. Upon review of the findings and recommendations of the Cultural Property Advisory Committee, the Assistant Secretary for Educational and Cultural Affairs, Department of State, made the necessary determinations on July 20, 2012 for extending the Agreement with Mali to continue the imposition of import restrictions on the aforementioned categories of archaeological material for an additional five-year period. An exchange of diplomatic notes reflects the extension of those restrictions. Accordingly, CBP is amending 19 CFR 12.104g(a) to reflect the extension of the import restrictions.
