FOR FURTHER INFORMATION CONTACT:

Alan G. Herceg, Assistant State Conservationist, Natural Resources Conservation Service, Michigan State Office, 3001 Coolidge Road, Suite 250, East Lansing, Michigan 48823-6350, telephone 517-324-5282.

SUPPLEMENTARY INFORMATION: The environmental assessment of this federally assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Ronald C. Williams, State Conservationist, has determined that the preparation and review of an environmental impact statement are not needed for this project.

The project purpose is watershed protection. Project measures include the installation of conservation practices by private land users to reduce soil and water resource problems. Accelerated financial and technical assistance will be available for land treatment.

The Notice of a Finding Of No Significant Impact has been forwarded to the Environmental Protection Agency and to various Federal, State, and local agencies and interested parties. Basic data developed during the environmental assessment are on file and may be reviewed by contacting Alan G. Herceg.
