

Eligible project costs may be incurred by awardees prior to final grant approval. The incremental capital cost for adding wheelchair lift equipment to any new vehicles delivered on or after June 9, 1998, the effective date of TEA-21, is eligible for funding under the OTRB Accessibility Program.

Applicants selected for funding may be contacted by FTA regional offices if any additional information is needed before grants are made. The grant applications will be sent to the U.S. Department of Labor (DOL) for certification under the labor protection requirements pursuant to 49 U.S.C. 5333(b). After referring applications to affected employees represented by a labor organization, DOL will issue a certification to FTA. The terms and conditions of the certification will be incorporated in the FTA grant agreement under the new guidelines replacing those in 29 CFR part 215. Please see *Amendment to Section 5333(b), Guidelines to Carry Out New Programs Authorized by the Transportation Equity Act for the 21st Century (TEA-21)*; Final Rule (64 FR 40990, July 28, 1999).

Issued on September 12, 2000.

Nuria I. Fernandez,
Acting Administrator.

[Docket No. RSPA-98-4470]

Pipeline Safety: Meeting of the Hazardous Liquid Pipeline Safety Advisory Committee

AGENCY: Office of Pipeline Safety, Research and Special Programs Administration, DOT.

ACTION: Notice; Meeting of the Hazardous Liquid Pipeline Safety Standards Committee.

SUMMARY: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C. App. 1) the Office of Pipeline Safety (OPS) gives notice of the continuation of a conference call meeting of the Technical Hazardous Liquid Pipeline Safety Standards Committee (THLPSSC) to consider the Notice of Proposed Rulemaking (NPRM), "Pipeline Safety: Pipeline Integrity Management in High Consequence Areas (Hazardous Liquid Operators with 500 or more Miles of Pipeline)." This meeting is being held

without the required 15-day notice (THLPSSC Charter; Section 7 (d)) because of the urgent need to complete advisory committee action on this rule.

DATES: OPS will continue the conference call meeting on Friday, September 22, 2000, at 3:30 p.m. EST.

ADDRESSES: Members of the public may attend the meetings at the Department of Transportation, Nassif Building, 400 Seventh Street, SW, Washington, DC 20590. The meeting will be held in room 6332. The public may participate by telephone by registering with Juan Carlos Martinez, (202) 366-1933, no later than Wednesday, September 20, 2000. The Office of Pipeline Safety will contact all registered individuals prior to the meeting to notify them of the conference call number.

Information on Services for Individuals With Disabilities

For information on facilities or services for individuals with disabilities or to request special assistance during the telephone conference calls, contact Juan Carlos Martinez at (202) 366-1933.

FOR FURTHER INFORMATION CONTACT: Cheryl Whetsel, OPS, (202) 366-4431 or Richard Huriaux, OPS, (202) 366-4565, regarding the subject matter of this notice.

SUPPLEMENTARY INFORMATION: The THLPSSC is a statutorily mandated advisory committee that advises OPS on proposed safety standards and other safety policies for hazardous liquid pipelines. The committee consists of 15 members representing government, industry, and the public. The committee meets twice a year, usually in May and November. However, because the THLPSSC requested a delay in its formal review of the proposed rule at the May 2000 meeting, a special conference call meeting was held on September 11, 2000. Because the committee did not have time to complete its work, an additional conference call meeting will be held on September 22, 2000. The THLPSSC will provide comments on the Notice of Proposed Rulemaking (NPRM), "Pipeline Safety: Pipeline Integrity Management in High Consequence Areas (Hazardous Liquid Operators with 500 or more Miles of Pipeline)" (65 FR 21695) and will vote on the adequacy of the rule and the accompanying risk assessment.

Authority: 49 U.S.C. 60102, 60115.

Issued in Washington, DC on September 12, 2000.

Stacey L. Gerard,

Associate Administrator for Pipeline Safety.

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Finance Docket No. 33919]

IRW Railway, LLC—Acquisition Exemption—West Tennessee Railroad Line

IRW Railway, LLC (IRW), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire the West Tennessee Railroad line (WTR line) from the Gibson County Railroad Authority (Authority). The WTR line extends from milepost 394.5, north of Carol, TN, to milepost 431.31, at Kenton, TN, a distance of 36.8 miles.¹

According to the verified notice of exemption, the parties intended to purchase title to the line after approval of this exemption. The earliest the exemption could have been consummated was August 30, 2000, the effective date of the exemption (7 days after the exemption was filed).

This transaction is related to STB Finance Docket No. 33918, *Henry G. Hohorst, Bruce Hohorst, Joan D. Hohorst, and Anthony M. Linn—Continuance in Control Exemption—IRW Railway, LLC*, wherein Henry G. Hohorst, Bruce Hohorst, Joan D. Hohorst, and Anthony M. Linn have filed a verified notice of exemption to continue in control of IRW after it acquires ownership of the title to the lands and track of the WTR line.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to reopen the proceeding to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33919, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925

¹ The WTR line was acquired by Authority pursuant to the Board's decision in *Gibson County Railroad Authority and West Tennessee Railroad Corporation—Exemption—From 49 U.S.C. Subtitle IV*, Finance Docket No. 30502 (ICC served 8/27/84). West Tennessee Railroad Corp. (WTRC) currently provides rail service over the line under an operating agreement with Authority. The rail operation obligations of Authority will be transferred to IRW and WTRC will continue to operate the line.
