

inoperative. These notifications, reports, and records are essential in determining compliance and are required of all affected facilities subject to NESHAP.

Form Numbers: None.

Respondents/affected entities: Ferroalloys production facilities.

Respondent's obligation to respond: Mandatory (40 CFR part 63, subpart XXX).

Estimated number of respondents: 2 (total).

Frequency of response: Initially, quarterly, semiannually, and annually.

Total estimated burden: 1,610 hours (per year). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$645,000 (per year), which includes \$424,000 annualized capital or operation & maintenance costs.

Changes in the Estimates: There is no change in hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This is due to two considerations. First, the regulations have not changed over the past three years and are not anticipated to change over the next three years. Secondly, the growth rate for the industry is very low, negative or non-existent, so there is no significant change in the overall burden. Since there are no changes in the regulatory requirements and there is no significant industry growth, there are also no changes in the capital/startup or operation and maintenance (O&M) costs.

Notice is given that a complaint has been filed with the Federal Maritime Commission (the "Commission") by QVC, Inc. and Cornerstone Brands, Inc. Complainant QVC, Inc. is a corporation existing under the laws of the State of Delaware with its principal place of business located in West Chester, Pennsylvania.

Complainant Cornerstone Brands, Inc. is a corporation existing under the laws of the State of Delaware with its principal place of business located in West Chester, Ohio.

the United States is Ocean Network Express (North America) Inc., a company existing under the laws of the Commonwealth of Virginia with its principal place of business in Richmond, Virginia.

Complainants allege that Respondent violated 46 U.S.C. 41102(c); 41104(a)(2) and (a)(10); and 46 CFR 545.5. Complainants allege these violations arose from a practice of systematically failing to meet service commitments, the use of coercion to require payment of extracontractual surcharges prior to performance of service commitments and to require amendments to service contracts, an unreasonable assessment of demurrage and detention charges, and other acts or omissions of the Respondents.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.
