NUCLEAR REGULATORY COMMISSION

[NRC-2012-0004]

Receipt of Request for Action

Notice is hereby given that by petition dated July 27, 2011, the Natural Resources Defense Council (petitioner) has requested that the U.S. Nuclear Regulatory Commission (NRC) order licensees to comply with 12 specific recommendations in the NRC Near-Term Task Force (NTTF) Report, "Recommendations for Enhancing Reactor Safety in the 21st Century," of July 12, 2011 (Agencywide Documents

Access and Management System (ADAMS) Accession No.

ML111861807). As the basis for this request, the petitioner cites the NTTF Report as the rationale and basis of the petition.

The request is being treated pursuant to Title 10 of the Code of Federal Regulations (10 CFR) 2.206 of the Commission's regulations. The request has been referred to the Director of the Office of Nuclear Reactor Regulation (NRR). As provided by 10 CFR 2.206, appropriate action will be taken on this petition within a reasonable time. The petitioner declined an opportunity to address the NRR Petition Review Board (PRB). After meeting internally, the PRB's decision was to accept the petition for review. Additionally, the PRB noted that the topic of the petition is undergoing NRC review as part of the lessons-learned from the Fukushima event. The PRB intends to use the Fukushima review to inform its final decision on whether to implement the requested actions.

A copy of the petition (ADAMS Accession No. ML11216A085) is available for inspection at the NRC's Public Document Room (PDR), located at One White Flint North, Room O1-F21, 11555 Rockville Pike (first floor), Rockville, Maryland 20874. SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Introduction
- II. Notice of Filing
- III. Ordering Paragraphs

I. Introduction

On January 12, 2012, the Postal Service filed a notice announcing that it has entered into an additional Global Reseller Expedited Package (GREP) contract.¹ The Postal Service believes the instant contract is functionally equivalent to the GREP baseline agreement and is supported by Governors' Decision No. 10-1 attached to the Notice and originally filed in Docket No. CP2010-36. *Id.* at 2-3, Attachment 3. The Notice explains that Order No. 445, which established GREP Contracts 1 as a product, also authorized functionally equivalent agreements to be included within the product, provided that they meet the requirements of 39 U.S.C. 3633. *Id.* at 1-2. Additionally, the Postal Service requested to have the contract in Docket No. CP2010-36 serve as the baseline contract for future functional equivalence analyses of the GREP Contracts 1 product.

The instant contract. The Postal Service filed the instant contract pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the instant contract is in accordance with Order No. 445. The instant contract is a renewal of the GREP contract, filed in Docket No. CP2011-65, which is scheduled to expire on January 21, 2012. *Id.* at 1. The Postal Service will notify the mailer of the effective date

¹ Notice of United States Postal Service of Filing a Functionally Equivalent Global Reseller Expedited Package Negotiated Service Agreement and Application For Non-Public Treatment of Materials Filed Under Seal, January 12, 2012 (Notice).

within 30 days after all necessary regulatory approvals have been received. The contract will remain in effect until June 30, 2014. *Id.* Attachment 1 at 5. It may, however, be terminated by either party on not less than 30 days' written notice. *Id.*

In support of its Notice, the Postal Service filed four attachments as follows:

- Attachment 1—a redacted copy of the contract and applicable annexes;
- Attachment 2—a certified statement required by 39 CFR 3015.5(c)(2);
- Attachment 3—a redacted copy of Governors' Decision No. 10–1, which establishes prices and classifications for GREP contracts, a description of applicable GREP contracts, formulas for prices, an analysis of the formulas, and certification of the Governors' vote; and
- Attachment 4—an application for non-public treatment of materials to maintain redacted portions of the contract and supporting documents under seal.

The Notice advances reasons why the instant GREP contract fits within the Mail Classification Schedule language for GREP Contracts 1. The Postal Service identifies general contract terms that distinguish the instant contract from the baseline GREP agreement. It states that the instant contract differs from the contract in Docket No. CP2010–36 pertaining to revisions or clarification of terms, *e.g.*, definition of qualifying mail, discounts offered by the reseller, minimum revenue, periodic review of minimum commitment, term, assignment, number of rate groups, and solicitation of reseller's customers. *Id.* at 4–6. The Postal Service states that the differences, which include price variations based on updated costing information and volume commitments, do not alter the contract's functional equivalency. *Id.* at 4. The Postal Service asserts that “[b]ecause the agreement incorporates the same cost attributes and methodology, the relevant characteristics of this GREP contract are similar, if not the same, as the relevant characteristics of the contract filed in Docket No. CP2010–36.” *Id.* at 4–5.

The Postal Service concludes that its filing demonstrates that the new GREP contract complies with the requirements of 39 U.S.C. 3633 and is functionally equivalent to the baseline GREP contract. It states that the differences do not affect the services being offered or the fundamental structure of the contract. Therefore, it requests that the instant contract be included within the GREP Contracts 1 product. *Id.* at 5–6.

II. Notice of Filing

The Commission establishes Docket No. CP2012–14 for consideration of matters related to the contract identified in the Postal Service's Notice.

Interested persons may submit comments on whether the Postal Service's contract is consistent with the policies of 39 U.S.C. 3632, 3633, or 3642. Comments are due no later than January 23, 2012. The public portions of this filing can be accessed via the Commission's Web site, <http://www.prc.gov>.

The Commission appoints James F. Callow to serve as Public Representative in the captioned proceeding.

III. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. CP2012–14 for consideration of matters raised by the Postal Service's Notice.

2. Comments by interested persons in this proceeding are due no later than January 23, 2012.

3. Pursuant to 39 U.S.C. 505, James F. Callow is appointed to serve as the officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

4. The Secretary shall arrange for publication of this order in the **Federal Register**.
