

SUPPLEMENTARY INFORMATION:

Background and Authority: Pursuant to the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), the Attorney General will be establishing the National Commission on Forensic Science ("Commission"). The Attorney General has determined that the Commission is necessary and in the public interest.

The Commission will recommend strategies for enhancing quality assurance in forensic science units. The duties of the Commission will include: (a) Recommending priorities for standards development; (b) reviewing and recommending endorsement of guidance identified or developed by subject-matter experts; (c) developing proposed guidance concerning the intersection of forensic science and the courtroom; (d) developing policy recommendations, including a uniform code of professional responsibility and minimum requirements for training, accreditation and/or certification; and (e) identifying and assessing the current and future needs of the forensic sciences to strengthen their disciplines and meet growing demand.

Structure: The Commission will be co-chaired by the Department of Justice and the National Institute of Standards and Technology. Members will be appointed by the Attorney General in consultation with the Director of the National Institute of Standards and Technology and the co-chairs of the Commission. Members will be selected to achieve a diversity of experiences, including Federal, State, and Local forensic science service providers; research scientists and academicians; Federal, State, Local prosecutors, defense attorneys and judges; law enforcement; and other relevant stakeholders. DOJ encourages submissions from diverse applicants with respect to backgrounds, professions, ethnicities, gender, and geography. The Commission shall consist of approximately 30 members. Members will serve without compensation. The Commission will generally meet four times each year at approximately three-month intervals.

Applications: Any qualified person may apply to be considered for appointment to this advisory committee. Each application should include: (1) A resume or curriculum vitae; (2) a statement of interest describing the applicant's relevant experience; (3) a letter of recommendation; and (4) a statement of support from the applicant's employer. Potential candidates may be asked to provide detailed information as necessary regarding financial interests,

employment, and professional affiliations to evaluate possible sources of conflicts of interest.

The application period will remain open through March 25, 2013. The applications must be sent in one complete package, by paper or email, to Armando Bonilla (contact information above). If an application is submitted electronically, please title the subject line of the email, "NCFS Membership 2013." Other sources, in addition to the **Federal Register** notice, may be utilized in the solicitation of applications.

Dated: February 19, 2013.

Elana Tyrangiel,

Acting Assistant Attorney General, Office of Legal Policy.

Brockway Mould, Inc., a Division of Ross International Ltd. Including Robert Lerch From BJR Trucking, Brockport, PA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor (Department) issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on September 17, 2012, applicable to workers and former workers of Brockway Mould, Inc., a division of Ross International Ltd, Brockport, Pennsylvania (subject firm). The workers are engaged in activities related to the production of mould equipment primarily used to produce bottles, containers, and jars. The Department's Notice was published in the **Federal Register** on October 5, 2012 (77 FR 61030).

At the request of a company official, the Department reviewed the certification for workers of the subject firm. New information from the subject firm reflects that one employee (Robert Lerch) from BJR Trucking was employed on-site at the Brockport, Pennsylvania location of Brockway Mould, Inc. The Department has determined that this employee was sufficiently under the control of Brockway Mould, Inc. to be included in this certification.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in the production of mould equipment for glass containers to Columbia and Hungary.

Based on these findings, the Department is amending this certification to include Robert Lerch from BJR Trucking.

The amended notice applicable to TA-W-81,862 is hereby issued as follows:

"All workers from Brockway Mould, Inc., a division of Ross International Ltd., including Robert Lerch from BJR Trucking, Brockport, Pennsylvania, who became totally or partially separated from employment on or after August 31, 2012, through September 17, 2014, and all workers in the group threatened with total or partial separation from employment on September 17, 2012 through September 17, 2014, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."
