Title of Collection: Higher Education Emergency Relief Fund (HEERF) I, II and III Data Collection Form.

OMB Control Number: 1840-0850.

Type of Review: A revision of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 270.

Total Estimated Number of Annual Burden Hours: 2,160.

Abstract: Under the current unprecedented national health emergency, the legislative and executive

branches of government have come together to offer relief to those individuals and industries affected by the COVID-19 virus under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA), and the American Rescue Plan (ARP). In each of these statutes, targeted relief to institutions of higher education (IHEs) was made available under the Higher Education Emergency Relief Fund (HEERF). HEERF, originally established by section 18004(a) of the CARES Act, Public Law 116-136 (March 27, 2020) and expanded through CRRSAA and ARP, authorizes the Secretary of Education to allocate formula grant funds to participating IHEs to address impacts of the COVID-19 virus.

This information collection requests approval for a revision to a previously approved collection that includes annual reporting requirements to comply with the requirements of the HEERF program and obtain information on how the funds were used. The revision simplifies the collection by substantially reducing the number of items because specific grant activities within HEERF have expired and many of the items have become moot. In accordance with the Recipients Funding Certification and Agreements executed by HEERF grantees, the Secretary may specify additional forms of reporting.

Dated: September 24, 2024.

Kun Mullan,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
