Indian Health Service

Tribal Self-Governance Program; Planning Cooperative Agreement

Announcement Type: New.

Funding Announcement Number: HHS-2009-IHS-TSGP-0001.

Catalog of Federal Domestic Assistance Number: 93.444.

Key Dates:

Application Deadline Date: June 22, 2009.

Review Date: July 6–7, 2009.

Anticipated Start Date: August 3, 2009.

I. Funding Opportunity Description

The purpose of the Planning Cooperative Agreement is to provide resources to Tribes interested in participating in the Tribal Self-Governance Program (TSGP), as authorized by Public Law 106-260, the Tribal Self-Governance Amendments of 2000, Title V of the Indian Self-Determination and Education Assistance Act, Public Law 93-638, as amended (Title V) (25 U.S.C. 458aaa-2(e)). There is limited competition under this announcement because the authorizing legislation restricts eligibility to Tribes that meet specific criteria (Refer to Section III.1.A., Eligible Applicants in this announcement). The TSGP is designed to promote Self-Determination by enabling Tribes to assume control of Indian Health Service

(IHS) programs, services, functions, and activities, or portions thereof (PSFAs), through compacts negotiated with the IHS. The Planning Cooperative Agreement enables a Tribe to gather information on the current types of PSFAs and related funding available at the Service Unit, Area, and Headquarters levels.

This program is described at 93.444 in the Catalog of Federal Domestic Assistance (CFDA).

II. Award Information

Type of Awards: Cooperative Agreement.

Estimated Funds Available: The total amount identified for Fiscal Year (FY) 2009 is \$600,000 for approximately eight Tribes. Awards under this announcement are subject to the availability of funds.

Anticipated Number of Awards: The estimated number of awards to be funded is approximately eight.

Project Period: 12 months.

Award Amount: \$75,000 per year.

Programmatic Involvement: Planning Cooperative Agreements entail substantial IHS programmatic involvement to establish a basic understanding of PSFAs and associated funding at the Service Unit, Area, and Headquarters levels.

The IHS roles and responsibilities include:

- Providing a description of PSFAs and associated funding at all levels, including funding formulas and methodologies related to determining Tribal shares.
- Identifying IHS staff who will consult with applicants on methods currently used to manage and deliver health care.
- Providing applicants with statutes, regulations and policies that provide authority for administering IHS programs.

The grantee roles and responsibilities are critical to the success of the TSGP and include:

- Researching and analyzing the complex IHS budget to gain a thorough understanding of funding distribution at all levels and to determine which PSFAs the Tribe may elect to assume.
- Establishing a process by which Tribes can effectively approach the IHS to identify programs and associated funding which could be incorporated into their current programs.
- Determining the Tribe's share of each PSFA and evaluating the current level of health care services being provided to make an informed decision on new program assumption(s).

III. Eligibility Information

1. Eligible Applicants

To be eligible for a Planning Cooperative Agreement under this announcement, an applicant must:

A. Be a Federally-recognized Tribe as defined in 25 U.S.C. 450b(e). However, Alaska Native Villages or Alaska Native Village Corporations are not eligible if they are located within the area served by an Alaska Native regional health entity already participating in the Alaska Tribal Health Compact. Those Tribes not represented by a self-governance Tribal consortium funding agreement within their area may still be considered to participate in the TSGP.

B. Submit a Tribal resolution or other official action from the appropriate governing body authorizing the submission of the Planning Cooperative Agreement application. Tribal Consortia applying for a Tribal Self-Governance Planning Cooperative Agreement shall submit Tribal Council Resolutions from each Tribe in the consortium. Draft resolutions, submitted with the application, are acceptable in lieu of an official signed resolution. However, an official signed Tribal resolution must be received by the Division of Grants Management (DGM), Attn: John Hoffman, 801 Thompson Avenue, TMP, Suite 360, Rockville, MD 20852, prior to the evaluation on July 6, 2009. If an official signed resolution is not received by July 6, 2009, the application will be considered incomplete and will be returned without consideration.

* It is highly recommended that the Tribal resolution be sent by a delivery method that includes proof of receipt.

C. Demonstrate, for three fiscal years, financial stability and financial management capability, which is defined as no uncorrected significant and material audit exceptions in the required annual audit of the Indian Tribe's self-determination contracts or self-governance funding agreements with any Federal agency. Applicants are required to submit annual audit reports for the three fiscal years prior to the year in which the applicant is applying for the planning cooperative agreement. The applicants may scan the documents and attach them to the electronic application. If the applicant determines that the audit reports are too lengthy, the applicants may submit them separately via regular mail by the due date, June 22, 2009. Applicants sending in audits via regular mail must submit two copies of the audits for the three previous fiscal years under separate cover directly to the Division of Grants Management, Attn: John Hoffman, 801 Thompson Avenue, TMP, Suite 360,

Rockville, MD 20852, referencing the Funding Opportunity Number, HHS–2009–IHS–TSGP–0001, as prescribed by Public Law 98–502, the Single Audit Act, as amended (see OMB Circular A–133, revised June 24, 1997, Audits of States, Local Governments, and Non-Profit Organizations). If this documentation is not received by June 22, 2009, the application will be considered as incomplete and will be returned to the applicant without further consideration. Applicants must include the grant tracking number assigned to their electronic submission by Grants.gov and the date submitted via Grants.gov in their cover letter transmitting the required audits for the previous three fiscal years.

2. Cost Sharing or Matching

The Tribal Self-Governance Planning Cooperative Agreement announcement does not require matching funds or cost sharing to participate in the competitive grant process.

3. Other Requirements

A. This program is described at 93.444 in the CFDA.

B. If application budget documents exceed the stated dollar amount that is outlined within this announcement, the application will be returned to the applicant without further consideration.

Electronic Submission—The preferred method for receipt of applications is electronic submission through Grants.gov. To submit an application electronically, please go to <http://www.Grants.gov> and select the “Apply for Grants” link on the home page. Download a copy of the application package on the Grants.gov Web site, complete it offline and then upload and submit the application via the Grants.gov site. You may not e-mail an electronic copy of a grant application to IHS.

Please be reminded of the following:

- Under the new IHS application submission requirements, paper applications are not the preferred method. However, if you have technical problems submitting your application on-line, please contact Grants.gov Customer Support at: <http://www.grants.gov/CustomerSupport>.
- Upon contacting Grants.gov, obtain a tracking number as proof of contact. The tracking number is helpful if there are technical issues that cannot be resolved and a waiver request from DGM must be obtained.
- Upon entering the Grants.gov site, there is information available outlining the requirements to the applicant regarding electronic submission of an application through Grants.gov, as well as the hours of operation. We strongly

encourage all applicants not to wait until the deadline date to begin the application process through Grants.gov as the registration process for CCR and Grants.gov could take up to fifteen working days.

DUNS Number

Applicants are required to obtain a Data Universal Number System (DUNS) number from Dun and Bradstreet to apply for a grant or cooperative agreement from the Federal Government. The DUNS number is a nine-digit identification number, which uniquely identifies business entities. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access <http://www.dunandbradstreet.com> or call 1-866-705-5711. Interested parties may

wish to obtain their DUNS number by phone to expedite the process.

Many Tribes or Tribal organizations may already have a DUNS number. Please use the number listed above to investigate whether or not your Tribe or Tribal organization has a DUNS number.

Registration with the CCR is free of charge. Applicants may register by calling 1-888-227-2423. V. Application Review Information

1. Criteria

A. Goals and objectives of the project (30 points)

Are the goals and objectives measurable and consistent with the purpose of the program and the needs of the people to be served, and are they achievable within the proposed time frame?

B. Organizational Capabilities and Qualifications (25 points)

Describe the organizational structure of the tribe and their ability to manage the proposed project. Include resumes or position descriptions of key staff showing requisite experience and expertise and, where applicable, include resumes and scope of work for consultants that demonstrate experience and expertise relevant to the project.

C. Methodology (20 points)

Describe fully and clearly the methodology and activities that will be used to accomplish the goals and objectives of the project.

D. Budget And Budget Justification (15 points)

Submit a line-item budget with a narrative justification for all expenditures identifying reasonable and allowable costs necessary to accomplish the goals and objectives as outlined in the project narrative.

E. Management of Health Program(s) (10 points)

Does the applicant propose an improved approach to managing the health program(s) and indicate how the delivery of quality health services will be maintained under self-governance?

2. Review and Selection Process

In addition to the evaluation criteria in Section V.1., applications are considered according to the following:

A. Application Submission:

(1) The applicant and proposed project type is eligible in accordance with this cooperative agreement announcement.

(2) Abstract, narrative, budget, required forms, appendices and other material submitted meet the requirements of the announcement, allowing the review panel to undertake an in-depth evaluation.

(3) Applicants must not have previously received a planning cooperative agreement award.

B. Competitive Review of Eligible Applications:

Applications meeting eligibility requirements that are complete, responsive, and conform to this program announcement will be reviewed for merit based on the evaluation criteria by the Objective Review Committee (ORC) appointed by the IHS to review and make recommendations on these applications. The review will be conducted in accordance with the IHS Objective Review Guidelines. The technical review process ensures selection of quality projects in a national competition for limited funding. Applications will be evaluated and rated on the basis of the evaluation criteria listed in Section V.1. The ORC uses the criteria to evaluate the quality of a proposed project, determine the likelihood of success, and assign a numerical score to each application. The scoring of approved applications will assist the IHS in determining which proposals will be funded if the amount of TSGP funding is not sufficient to support all approved applications. Applications scored by the ORC at 60 points or above will be recommended for approval and forwarded to the DGM for cost analysis and further recommendation. The TSGP official will forward the recommended approval list to the IHS Director for final review and approval. Applications scoring below 60 points will be disapproved.

Note: In making final selections, the IHS Director will consider the ranking factor and the status of the applicant's three previous years' single audit reports. The comments from the ORC will be advisory only. The IHS Director will make the final decision on awards.

VI. Award Administration Information

1. Award Notices:

The Notice of Award (NoA) will be initiated by the DGM and will be mailed via postal mail to each entity that is

approved for funding under this announcement. The NoA will be signed by the Grants Management Officer and this is the authorizing document for which funds are dispersed to the approved entities. The NoA will serve as the official notification of the grant award and will reflect the amount of Federal funds awarded, the purpose of the grant, the terms and conditions of the award, the effective date of the award, and the budget/project period. The NoA is the legally binding document. Applicants who are approved but unfunded or disapproved based on their Objective Review score will receive a copy of the Final Executive Summary which identifies the weaknesses and strengths of the application submitted. Any correspondence other than the NoA announcing to the Project Director that an application was selected is not an authorization to begin performance.

2. Administrative Requirements:

Grants are administrated in accordance with the following documents:

- This Program Announcement.
- 45 CFR part 92, "Uniform

Administrative Requirements for Grants and Cooperative Agreements to State, Local and Tribal Governments," or 45 CFR part 74, "Uniform Administrative Requirements for Awards to Institutions of Higher Education, Hospitals, Other Non Profit Organizations, and Commercial Organizations."

- Grants Policy Guidance: HHS Grants Policy Statement, January 2007.
- Cost Principles: OMB Circular A-87, "Cost Principles for State, Local, and Indian Tribal Governments" (Title 2 Part 225).
- Administrative Requirements: OMB Circular A-122, "Non-Profit Organizations" (Title 2 Part 230).
- Audit Requirements: OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

3. Indirect Costs:

This section applies to all grant recipients that request reimbursement of indirect costs in their grant application. In accordance with the HHS Grants Policy Statement, Part II-27, IHS requires applicants to have a current indirect cost rate agreement in place prior to award. The rate agreement must be prepared in accordance with the applicable cost principles and guidance as provided by the cognizant agency or office. A current rate means the rate covering the applicable activities and the award budget period. If the current rate is not on file with the DGM at the time of award, the indirect cost portion of the budget will be restricted and not

available to the recipient until the current rate is provided to the DGM.

Generally, indirect costs rates for IHS grantees are negotiated with the Division of Cost Allocation (<http://rates.psc.gov/>) and the Department of the Interior National Business Center (1849 C St. NW., Washington, DC 20240) <http://www.nbc.gov/acquisition/ics/icshome.html>. If your organization has questions regarding the indirect cost policy, please contact the DGM at (301) 443-5204.

4. Reporting:

A. Progress Report. Program progress reports are required semi-annually. These reports must be submitted within 30 days of the end of the half year and will include a brief comparison of actual accomplishments to the goals established for the period, or, if applicable, provide sound justification for the lack of progress, and other pertinent information as required. A final report must be submitted within 90 days of expiration of the budget/project period.

B. Financial Status Report. Semi-annual financial status reports must be submitted within 30 days of the end of the half year. Final financial status reports are due within 90 days of expiration of the budget/project period. Standard Form 269 (long form) will be used for financial reporting. The final SF-269 must be verified from the grantee's records on how the value was derived. Grantees must submit the reports consistent with the applicable deadlines.

Failure to submit required reports within the time allowed may result in suspension or termination of an active grant, withholding of additional awards for the project, or other enforcement actions such as withholding of payments or converting to the reimbursement method of payment. Continued failure to submit required reports may result in one or both of the following: (1) The imposition of special award provisions; and (2) the non-funding or non-award of other eligible projects or activities. This applies whether the delinquency is attributable to the failure of the grantee organization or the individual responsible for preparation of the reports.

5. Telecommunication for the hearing impaired is available at: TTY (301) 443-6394.

VII. IHS Agency Contact(s)

1. Questions on the programmatic issues may be directed to: Matt Johnson, Policy Analyst, Office of Tribal Self-Governance, *Telephone No.:* (301) 443-7821, *Fax No.:* (301) 443-1050, *E-mail:* matthew.johnson@ihs.gov.

2. Questions on grants management and fiscal matters may be directed to: John Hoffman, Grants Management Specialist, Division of Grants Management, *Telephone No.:* (301) 443-5204, *Fax No.:* (301) 443-9602, *E-mail:* john.hoffman2@ihs.gov.

VIII. Other Information

The Public Health Service (PHS) strongly encourages all cooperative agreement and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.
