

less than the minimum of the amended guideline range, except if the original term of imprisonment imposed was less than the term of imprisonment provided by the guideline range applicable to the defendant at the time of sentencing, a reduction comparably less than the amended guideline range may be appropriate. However, if the original term of imprisonment constituted a non-guideline sentence determined pursuant to 18 U.S.C. 3553(a) and *United States v. Booker*, 543 U.S. 220 (2005), a further reduction generally would not be appropriate. The amendment clarifies that in no event may the reduced term of imprisonment be less than the term of imprisonment the defendant has already served. The amendment adds in Application Note 3 examples illustrating the limitations on the extent to which a court may reduce a defendant's term of imprisonment under 18 U.S.C. 3582(c)(2) and § 1B1.10.

The amendment also modifies Application Note 1 to delineate more clearly factors for consideration by the court in determining whether, and to what extent, a reduction in the defendant's term of imprisonment is warranted under 18 U.S.C. 3582(c)(2). Specifically, the amendment provides that the court shall consider the factors set forth in 18 U.S.C. 3553(a), as required by 18 U.S.C. 3582(c)(2), and the nature and seriousness of the danger to any person or the community that may be posed by such a reduction, but only within the limits described in subsection (b). In addition, the amendment provides that the court may consider post-sentencing conduct of the defendant that occurred after imposition of the original term of imprisonment, but only within the limits described in subsection (b).

The amendment makes conforming changes and adds headings to the application notes, and makes conforming changes to the background commentary.

2. Amendment: Section 1B1.10, as amended by Amendment 1, is further amended in subsection (c) by inserting "Covered Amendments.—" before "Amendments"; by striking "and 702"; and by inserting "702, and 706 as amended by 711" before the period.

Reason for Amendment: This amendment expands the listing in § 1B1.10(c) to implement the directive in 28 U.S.C. 994(u) with respect to guideline amendments that may be considered for retroactive application. The Commission has determined that Amendment 706, as amended by Amendment 711, should be applied retroactively because the applicable standards set forth in the background

commentary to § 1B1.10 (Reduction in Term of Imprisonment as a Result of Amended Guideline Range) appear to be met. Specifically: (1) As stated in the reason for amendment accompanying Amendment 706, the purpose of that amendment was to alleviate some of the urgent and compelling problems associated with the penalty structure for crack cocaine offenses; (2) the Commission's analysis of cases potentially eligible for retroactive application of Amendment 706 (available on the Commission's Web site at <http://www.ussc.gov>) indicates that the number of cases potentially involved is substantial, and the magnitude of the change in the guideline range, i.e., two levels, is not difficult to apply in individual cases; and (3) the Commission received persuasive written comment and testimony at its November 13, 2007 public hearing on retroactivity that the administrative burdens of applying Amendment 706 retroactively are manageable. In addition, public safety will be considered in every case because § 1B1.10, as amended by Amendment 712, requires the court, in determining whether and to what extent a reduction in the defendant's term of imprisonment is warranted, to consider the nature and seriousness of the danger to any person or the community that may be posed by such a reduction.

Hours of Service of Drivers: Dart Transit Company Application for Exemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice; extension of public comment period.

SUMMARY: The FMCSA announces an extension of the comment period until January 25, 2008, for Dart Transit Company's (Dart) application for an exemption from certain commercial motor vehicle driver hours-of-service provisions of the Federal Motor Carrier Safety Regulations. Dart requested an exemption for 200 of its owner-operators from the prohibition against driving after the 14th hour of coming on-duty, following 10 consecutive hours off-duty, and the requirement that drivers using two sleeper-berth (S/B) periods to accumulate the equivalent of 10 consecutive hours off-duty spend at least 8 but less than 10 consecutive hours in the S/B during one of those two periods. The Advocates for Highway and Auto Safety (Advocates) has requested an extension of time for the public comment period because the issues involved require additional time to evaluate.
