SMALL BUSINESS ADMINISTRATION

Interest Rates

The Small Business Administration publishes an interest rate called the optional “peg” rate (13 CFR 120.214) on a quarterly basis. This rate is a weighted average cost of money to the government for maturities similar to the average SBA direct loan. This rate may be used as a base rate for guaranteed fluctuating interest rate SBA loans. This rate will be 1.75 percent for the January–March quarter of FY 2022.

Pursuant to 13 CFR 120.921(b), the maximum legal interest rate for any third party lender's commercial loan which funds any portion of the cost of a 504 project (see 13 CFR 120.801) shall be 6% over the New York Prime rate or,

if that exceeds the maximum interest rate permitted by the constitution or laws of a given State, the maximum interest rate will be the rate permitted by the constitution or laws of the given State.

SUPPLEMENTARY INFORMATION: We are modifying routine uses and adding new routine uses to this SORN. We are modifying routine uses:

- Number 32 that permits disclosures to the Department of Homeland Security for administration of E-Verify; and
- Number 40 that permits disclosures to the Corporation for National and Community Service for administration of the National and Community Service Act.

We are clarifying the language in existing routine use numbers 3, 4, 5, 11, 15, 18, 20, 22, 23, 29, and 47 for easier reading.

We are adding routine uses that will permit disclosures to contractors, cooperative agreement awardees, Federal and State agencies, Federal congressional support agencies for research and statistical activities that increase knowledge of SSA programs; to State agencies or other local protective social service agencies, in situations involving suspected abuse, neglect, or exploitation of minor children or vulnerable adults; to State vital records agencies who have a contract with SSA, when necessary to inform the State vital records agency that death information it reported to SSA was determined to be erroneous; to the Department of Treasury for disclosure and verification of prisoner information for the purposes of tax administration, debt collections, and improper payments or collections of delinquent debts owed to the United States, as well as to State and Federal agencies for conducting statistical and research activities; to the Department of Health and Human Services Office of Child Support Enforcement for the administration of the Federal Parent Locator System; and to the Office of the President in response to an inquiry from that office made on behalf of, and at the request of, the subject of the record or a third party acting on the subject's behalf.

In addition, we are also deleting the following routine uses, from the prior version of the SORN, published in the **Federal Register** on December 29, 2010 at 75 FR 82121, as they are covered under existing routine uses or no longer necessary:

- Number 5—this routine use permitted disclosures to a contractor for the purpose of collating, evaluating, analyzing, aggregating, or otherwise refining records;

- Number 7—this routine use permitted disclosures to the Department of Energy, for its epidemiological research study of the long-term effects of low-level radiation exposure, as permitted by SSA Regulations 20 CFR 401.150(c);

- Number 26—this routine use permitted disclosures to DVA or third parties under contract to DVA to disclose SSNs and dates of birth for the purposes of conducting medical research and epidemiological studies;

- Number 38 that permits disclosure to Federal, State, or congressional support agencies for research, evaluation, or statistical studies;

- Number 39—this routine use permitted disclosure to State and Territory motor vehicle administration agency officials, and to State and Territory chief election officials to verify the accuracy of information the State Agency provides with response to applications for voter registration; and

- Number 44—this routine use permitted disclosures to the Department of Health and Human Services, the Department of Agriculture's National Finance Center, the Office of Personnel Management, the States, or the States' respective contractors or agents charged with administering the Pre-existing Condition Insurance Program (PCIP), to verify personal identification data (e.g., name, SSN, and date of birth) and to confirm citizenship status information in our records to assist these agencies with determining applicants' entitlement to benefits under PCIP.

In addition, we are modifying the notice throughout to correct miscellaneous stylistic formatting and typographical errors of the previously published notice, and to ensure the language reads consistently across multiple systems. We are republishing the entire notice for ease of reference.

In accordance with 5 U.S.C. 552a(r), we have provided a report to OMB and Congress on this modified system of records.
