Louisville Gas and Electric Company; Notice of Application

February 8, 2002.

Take notice that on January 14, 2002, Louisville Gas and Electric Company (Louisville) filed an application pursuant to section 7 of the Natural Gas Act (NGA) and 18 CFR 284.224 for a limited-jurisdiction blanket certificate of public convenience and necessity authorizing Louisville to offer open access firm and interruptible storage services in interstate commerce at market-based rates. Louisville includes with its application a Market Power Analysis which, it maintains, demonstrates that Louisville does not have market power in the relevant market for its proposed services.

Louisville also submits with its filing an operational statement. Louisville states that it will offer the storage service by displacement through the two interstate pipelines serving Louisville—Texas Gas
