Rule 17Ad-13; SEC File No. 270-263; OMB Control No. 3235-0275.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17Ad-13 (17 CFR 240.17Ad-13) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 17Ad-13 requires approximately 150 registered transfer agents to obtain an annual report on the adequacy of internal accounting controls. In addition, transfer agents must maintain copies of any reports prepared pursuant to Rule 17Ad-13 plus any documents prepared to notify the Commission and appropriate regulatory agencies in the event that the transfer agent is required to take any corrective action. The retention period for the report is three years following the date of the report. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents

and ensuring compliance with the rule. Small transfer agents are exempt from Rule 17Ad-13.

The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-13 is one-hundred fifty hours annually. The total burden is 18,000 hours annually for transfer agents, based upon past submissions. The staff estimates that the average cost per hour is approximately \$60. Therefore, the total cost of compliance for transfer agents is \$1,080,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Extension:

Form N-8B-2; SEC File No. 270-186; OMB Control No. 3235-0186.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information

summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-8B-2 (17 CFR 274.12) is the form used by unit investment trusts ("UITs") other than separate accounts that are currently issuing securities, including UITs that are issuers of periodic payment plan certificates and UITs of which a management investment company is the sponsor or depositor, to comply with the filing and disclosure requirements imposed by section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Form N-8B-2 requires disclosure about the organization of a UIT, its securities, the personnel and affiliated persons of the depositor, the distribution and redemption of securities, the trustee or custodian, and financial statements. The Commission uses the information provided in the collection of information to determine compliance with section 8(b) of the Investment Company Act.

Based on the Commission's industry statistics, the Commission estimates that there would be approximately two initial filings on Form N-8B-2 and 14 post-effective amendment filings to the Form annually. The Commission estimates that each registrant filing an initial Form N-8B-2 would spend 44 hours in preparing and filing the Form and that the total hour burden for all initial Form N-8B-2 filings would be 88 hours. Also, the Commission estimates that each UIT filing a post-effective amendment to Form N-8B-2 would spend 16 hours in preparing and filing the amendment and that the total hour burden for all post-effective amendments to the Form would be 224 hours. By combining the total hour burdens estimated for initial Form N-8B-2 filings and post-effective amendments filings to the Form, the Commission estimates that the total annual burden hours for all registrants on Form N-8B-2 would be 312. Estimates of the burden hours are made solely for the purposes of the PRA, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

The information provided on Form N-8B-2 is mandatory. The information provided on Form N-8B-2 will not be kept confidential. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper
